Academic Enrichment Policies and Guidelines

Sierra College Admissions & Records 5000 Rocklin Rd. Rocklin, CA 95677 916-660-7340

To ensure your success as an academic enrichment student, the following questions and answers related to Academic Enrichment have been developed to guide your enrollment. College classes often include adult/mature subject matter.

STEP 1: Meet with a High School counselor to verify that these requirements have been met:

- You must have a cumulative GPA of 2.7 or above.
- You must have completed the tenth grade and be 16 years of age by the first day of instruction.

STEP 2: Apply & Assess

- New students must have completed an online Sierra College application (indicating that you are a High School student) at: <http://www.sierra.cc.ca.us/ApplyRegister/index.html>
- Within four business days of submission online, you will receive two emails from Sierra College containing important information, including your Sierra college ID number, MySierra Login information & your Sierra College email address.
- Complete the Assessment Test (if you are enrolling in Math or English, or a course with a Math or English prerequisite).

STEP 3: Provide Documentation

- Provide your high school transcript.
- Provide a copy of your Private School Affidavit when appropriate.
- Documentation of age (if home schooled or age is not reflected on high school transcript).
- Complete an Academic Enrichment Permission Form
Each semester you wish to enroll, you must resubmit all of the above documents.

STEP 4: Orientation

- Complete an Academic Enrichment student orientation. You can schedule this appointment after the Assessment Test.

STEP 5: Register for Classes

- You can enroll in a maximum of 7 units each semester or summer session.
- You are allowed to register after "OPEN" registration online through your MySierra account. Classes excluded from the Academic Enrichment Program are available on our website at: <http://www.sierra.cc.ca.us/ApplyRegister/admissionsRecords/documents/RestrictedCourseList9-24-09.pdf>.
- The college reserves the right to exclude certain classes.
- Academic Enrichment students are not permitted to audit courses.

What else do I need to know about Academic Enrichment?

- The course credit and grades you receive will become part of your permanent college record.
- You must meet all course prerequisites to enroll in a course, which may require assessment tests.
- Upon graduation from high school students submit a new application; they will then be considered "new" students and "continuing" students in subsequent terms.
- Students are responsible for being aware of and adhering to policies, procedures and deadlines (including Add/Drop deadlines) as they pertain to Sierra College students. For example if you are not present for the first class meeting, you may be dropped from the class.
- If initially denied eligibility to enroll, a student may file a petition requesting further consideration.
- You must maintain at least a 2.0 GPA at Sierra to be allowed to take additional classes as an academic enrichment student.
- The parent or guardian assumes financial responsibility for all fees incurred at Sierra College by their academic enrichment student.
- Academic Enrichment students are not eligible for state or federal financial aid.
- Students who need special accommodations due to a disability must receive these accommodations through their K-12 district.
- Students may be interacting socially with adult college students and may be exposed to discussions, readings, and visual materials of a mature nature. Students will be expected to conform to the same performance standards as any other college students as set forth in course outlines and syllabi. Sierra College is not responsible for the social interactions of students and is released from the responsibility of monitoring concurrently enrolled minor students should a class meeting or course be canceled.
