CERTIFICATION:

I am requesting Sierra College to forward to my lender the data required to process my application for a Federal Stafford Loan.

I am requesting a loan for the amount indicated above, or the lesser amount for which I am eligible to borrow.

I understand that the federal government does not pay the interest on the Unsubsidized Federal Stafford Loan. I understand that in order to obtain a loan through this process, I must complete a Master Promissory Note (MPN), which contains my promise to repay the loan. I can complete this form with my lender either online or by mail.

By signing this form, I certify that all the information I reported is complete and correct. I understand that a loan will not be processed for me until all the necessary forms are submitted. I have read and understand the 2009-10 Federal Stafford Loan Process brochure.
