The job description and goals and objectives for performance shall be developed by the Board in consultation with the Superintendent/President.

The Superintendent/President shall ensure that all relevant laws and regulations are complied with, and that required reports are submitted in timely fashion.

The Superintendent/President shall make available any information or give any report requested by the Board as a whole. Individual trustee requests for information shall be met if, in the opinion of the Superintendent/President, they are not unduly burdensome or disruptive to District operations. Information provided to any trustee shall be available to all trustees.
The Superintendent/President shall act as the professional advisor to the Board in policy formation.

In addition to the powers and duties specifically imposed by statute, the Superintendent/President shall perform the following functions and duties:

- Responsibility for maintaining an open, trusting climate which allows and fosters communication with the diverse educational community.
