The Sierra Joint Community College District, on behalf of each campus or center, has a written agreement with local law enforcement agencies. The agreement clarifies operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, sexual assaults, including, but not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of any of these; and hate crimes as defined by law, occurring at each location.

The written agreement designates which law enforcement agency has operational responsibility for violent crimes, sexual assaults, and hate crimes, and delineates the specific geographical boundaries of each agency’s operational responsibility, including maps as necessary.

The written agreements required by Board Policy 3520 are public records and are made available for inspection by members of the public upon request to the Chief of Security. Written agreements shall be reviewed and updated if necessary every five years.

The Chief of Security maintains a close working relationship with all local law enforcement agencies, including Rocklin Police, Roseville Police, Grass Valley Police, and Truckee Police. Meetings may be held between the leaders of these agencies on both a formal and informal basis. The Chief of Security and local law enforcement agencies communicate regularly on the scene of incidents that occur in and around the campus area. When incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, the Security Office will work closely with law enforcement agencies. There is written memorandum of understanding between the Security Office and local law enforcement agencies.

In response to a call, the Security Office will take the required action, dispatching an Officer or asking the victim to file an incident report. All incident reports received by the Security Office are forwarded to the Office of Student Discipline for review and potential action. The Security Office may investigate a report when it is deemed appropriate.
Crimes should be reported to the Security Office to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the Security Office in a timely manner. To report a crime or an emergency on campus, call 911 or the Security Office at x1111. To report a non-emergency security or public safety related matter, call the Security Office at 916-660-7120.

Security Officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the District. Safety and Security Officers do not possess arrest power, outside of the general authority of any normal citizen to make a legal Citizen’s Arrest within and under the legal scope of the law. Criminal incidents are referred to the local law enforcement officers who have jurisdiction on the campus. The District maintains a highly professional working relationship with the local law enforcement agencies. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus Security Services Office and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Campus “Pastoral Counselors” and Campus “Professional Counselors,” when acting as such, are not considered to be Campus Security Officers and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

A Pastoral Counselor is a person who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

A Professional Counselor is an employee of a District whose official responsibilities include providing psychological counseling to members of the District’s community and who is functioning within the scope of his or her license or certification.
