Sierra Joint Community College District is committed to providing a safe and healthy environment for its students, employees, and visitors. In light of evidence that the use of tobacco and exposure to secondhand-smoke pose significant health hazards, the District has established a smoke, vapor and tobacco-free environment. The use of such products is prohibited at all times in the following areas:

- On all grounds and in all buildings of the District
- In or on any space, building, or classroom exclusively owned, leased or controlled by the District
- In all vehicles owned or leased by the District
- In all vehicles on District property

This policy and these regulations apply to employees, students, visitors, and other persons who enter any District property as described above.

The District shall provide appropriate literature and referrals to tobacco cessation programs.

Signs prohibiting tobacco use shall be displayed prominently.

Such products will not be sold or distributed on District property.
Individuals who violate this policy will be subject to citation and fines as follows:
  First Offense:    $25 fine
  Second Offense:   $50 fine
  Third Offense:    $100 fine
  Each additional offense thereafter: $100 fine

Funds collected from citations will be used as prescribed in section 7597.1 of the California Government Code.

See Board Policy 3570.
