The Chief Student Services Officer shall ensure that the District maintains a current plan approved by the California Community Colleges Chancellor's Office for the administration and operation of its cooperative work experience (internship) program.

The plan includes:

- The systematic design of the program whereby student gain realistic learning experiences through work;
- Specific descriptions of the respective responsibilities of the college, the student, the employers and other cooperating agencies;
- A description of guidance services offered to prospective and accepted student interns;
- Assurances that there is a sufficient number of qualified academic personnel to direct the program;
- Processes that assure students' on-the-job learning experiences are documented with written measurable learning objectives,
- Criteria for student participation and evaluation;
- The basis for awarding grades and credit; and
- Information about how adequate clerical and instructional services are provided.

Records:

Internship records are maintained in the Career and Transfer Connections Office for seven years after the completion of the internship. These records include:

- type and units of work experience
- where student was employed
- job held
- basis to determining student qualification
- statement of student hours worked
- evaluation of performance
- work permits (if required)

Final grades and a notation of total hours worked in the internship are submitted to the Admissions and Records Office..

Supervising faculty maintain records that document consultation with the employer and the student, evaluation of the student's achievement and the final grade. Copies of these records are maintained by the course instructor for three years; the originals are kept on file in the Career and Transfer Connections Office for seven years.
