

Strategic Reduction of Educational Programs

Date Adopted: 7/13/2013

Date Revised:

Date Reviewed: 6/13/2017

References: Education Code Sections; Title 5 Sections 55000(g)

When educational program reductions are undertaken as a consequence of the need to downsize the institution, the District will use the criteria set forth in the Strategic Reduction of Education Programs Process (See Administrative Procedure 4023). The President/Superintendent will provide the Board of Trustees a list of programs recommended for reduction or elimination supported by evidence or data that substantiates the recommendation.

See Administrative Procedure 4023
