All financial aid programs will adhere to guidelines, procedures, and standards issued by the funding agency, and will incorporate federal, state, and other applicable regulatory requirements.

The Chief Student Service Officer or their designee shall establish, publicize, and apply satisfactory academic progress standards for participants in Title IV student aid programs.

Misrepresentation

Consistent with the applicable federal regulations for federal financial aid, the District shall not engage in “substantial misrepresentation” of 1) the nature of its educational program, 2) the nature of its financial charges, or 3) the employability of its graduates.

The Chief Student Services Officer or designee shall establish procedures for regularly reviewing the District’s website and other informational materials for accuracy and completeness and for training District employees and vendors providing educational programs, marketing, advertising, recruiting or admissions services concerning the District’s educational programs, financial charges, and employment of graduates to assure compliance with this policy.
The Chief Student Services Officer or designee shall establish procedures wherein the District shall periodically monitor employees’ and vendors’ communications with prospective students and members of the public and take corrective action where needed.

This policy does not create a private cause of action against the District or any of its representatives or service providers. The District and its governing board do not waive any defenses or governmental immunities by enacting this policy.
