

Sierra College

ADMINISTRATIVE PROCEDURE

AP 6340

Bids and Contracts

Date Adopted: 11/16/2004

Date Revised: 5/15/2020

Date Reviewed: 5/15/2020

References: California Labor Code Sections 1770 et seq.; California Public Contract Code Sections 20103.7, 20112, 20650 et seq., and 22000 et seq.; Education Code Sections 81641 et seq.; Government Code Section 53060; ACCJC Accreditation Standard III.D.16; 2 Code of Federal Regulations Part 200.318

Limits

Bids or quotations shall be secured as may be necessary to obtain the lowest possible prices as follows:

- Purchase of goods or services up to the limits set out in the Purchasing Handbook and in accordance with Public Contract Code will require documented quotes.
- Purchase of goods or services in excess of the limits set out in Public Contract Code will require formal advertised bids.

In securing bids or quotations, the District will avoid acquisition of unnecessary or duplicative items. Contracts involving expenditures that require competitive bidding will be approved by the Board of Trustees prior to contract award/execution.

The bid thresholds are annually adjusted by the Board of Governors as required by Public Contract Code Section 20651 subdivision (d). The current bid thresholds can be found at <http://www.cde.ca.gov/fg/ac/co/>.

Bid Specifications

Bid specifications shall include a definite, complete statement of what is required and, insofar as practical, shall include pertinent details of size, composition, construction, and/or texture of what is specified, and minimum standards of efficiency, durability, and/or utility required of what is specified.

Notice Calling for Formal Advertised Bids

The District shall publish at least once a week for two weeks in a newspaper of general circulation published within the District a notice calling for bids or proposals, stating the work to be done or materials or supplies to be furnished and the time and place when bids will be opened, or if there is no such paper, then in some newspaper of general circulation, circulated in the country, and may post on the District's website or through an electronic portal. The District may accept a bid that was submitted either electronically or on paper.

Bids and contract forms shall be prepared and maintained by the Chief Business Officer. All applicable statutory provisions and board policies shall be observed in preparation of the forms.

The Chief Business Officer shall be responsible for insuring that the bid specifications are sufficiently broad to encourage and promote open competitive bidding.

All bid notices for work to be done shall contain an affirmative statement requiring compliance with Labor Code Section 1775 and 1776 governing payment of prevailing wages and Labor Code Section 1777.5 governing employment of apprentices. All bid submissions shall contain all documents necessary to assure compliance with these California Labor Code Sections. Failure to provide such documentation shall cause any such bid to be deemed incomplete.

For Public Works or repair/maintenance/installation projects, the contractor or subcontractor performing the work shall be a registered contractor with the California Department of Industrial Relations (DIR) and shall comply with all DIR regulations throughout the course of this entire Agreement.

When required or determined to be appropriate, bids shall be accompanied by a certified or cashier's check, or bid bond, in the amount specified in the bid form, as a guarantee that the bidder will enter into contract and furnish the required contract bonds. When no longer required for the protection of the District, any certified or cashier's check received shall be returned to the respective bidder.

The Chief Business Officer or designee shall make available to the prospective bidders bid forms with sets of specifications and drawings and shall provide a convenient place where bidders, subcontractors and material personnel may examine the specifications and drawings.

The Chief Business Officer or designee shall provide an electronic copy of the plans and specifications and other contract documents to a contractor plan room service at no charge upon request from that contractor plan room.

When permitted, a deposit for sets of plans and specifications may be required and may be refunded when such documents are returned.

Awarding of Bids and Contracts Awards

The awarding of bids and contracts shall be subject to the following conditions:

- Any and all bids and contracts proposals may be rejected by the District.

- All bids shall be opened publicly and bidder shall be given the opportunity to make record of the bids received.
- Bid and contract award recommendations to the Board shall show a tabulation of the bids received in reasonable detail.
- Selection and Award to Lowest Responsible Bidder:
 - Bid and contract awards shall be made to the lowest responsible bidder substantially meeting the requirements of the specifications.
- Selection and Award Based on Best Value:
 - For the purposes of bid evaluation and selection when the District determines that it can expect long-term savings through the use of life-cycle cost methodology, the use of more sustainable goods and materials, and reduced administrative costs, the District may provide for the selection of the lowest responsible bidder on the basis of best value.
 - "Best value" means the most advantageous balance of price, quality, service, performance, and other elements, as defined by the Board, achieved through methods in accordance with this section and determined by objective performance criteria that may include price, features, long-term functionality, life-cycle costs, overall sustainability, and required services.
 - The District will consider all of the following in a best value selection and award:
 - Price and service level proposals that reduce the District's overall operating costs, including end-of-life expenditures and impact.
 - Equipment, services, supplies, and materials standards that support the District's strategic acquisition and management program direction.
 - A procedure for protest and resolution in the request for proposal.
 - The District may also consider any of the following in a best value selection and award:
 - The total cost to of its purchase, use, and consumption of equipment, supplies, and materials.
 - The operational cost or benefit incurred by the District.
 - The added value to the District, as defined in the request for proposal, of vendor-added services.
 - The quality and effectiveness of equipment, supplies, materials, and services.
 - The reliability of delivery and installation schedules.
 - The terms and conditions of product warranties and vendor guarantees.
 - The financial stability of the vendor.
 - The vendor's quality assurance program.
 - The vendor's experience with the provisions of equipment, supplies, materials, and services within the institutional marketplace.
 - The consistency of the vendor's proposed equipment, supplies, materials, and services with the District's overall supplies and materials procurement program.
 - The economic benefits to the local community, including, but not limited to, job creation and retention.
 - The environmental benefits to the local community.

- The District will award a contract to the lowest responsible bidder, whose proposal offers the best value to the District based solely on the criteria set forth in the request for proposal. The District shall document its determination in writing.
- The District shall issue a written notice of intent to award supporting its contract award and stating in detail the basis of the award. The notice of the intent to award and the contract file must be sufficient to satisfy an external audit.
- The District shall publicly announce its award, identifying the bidder to which the award is made, the price proposal of the contractor awarded the contract, and the overall combined rating on the request for proposal evaluation factors. The announcement shall also include the ranking of the contractor awarded the contract in relation to all other responsive bidders and their respective price proposals and summary of the rationale for the contract award.
- The District shall ensure that all businesses have a fair and equitable opportunity to compete for, and participate in, district contracts and shall also ensure that discrimination on the basis of sex, race, color, religion, ancestry, national origin, ethnic group identification, age, mental disability, physical disability, medical condition, genetic information, marital status, or sexual orientation, does not occur in the award and performance of contracts.

Purchase Without Advertising for Bids

The Chief Business Officer is authorized to make purchases from firms holding public agency contracts without calling for bids where it appears advantageous to do so.

The Director of Finance may, without advertising for bids within the same county, city, town or district, purchase or lease from other public agencies materials or services by authorization of contract or purchase order, upon confirmation the agency's procurement process satisfies District purchasing policies and procedures.

The Chief Business Officer may make purchases through the State of California Cooperative Purchasing Program operated by the Department of General Services.

The Chief Business Officer is authorized to make purchases with a value between \$5,000 and \$250,000 from a certified small business, microbusiness, or disabled veteran business enterprise.

Duration of Continuing Contracts for Services and Supplies

Continuing contracts for work or services furnished to the District are not to exceed five (5) years.

Contracts for materials and supplies are not to exceed three (3) years.

Emergency Repair Contracts without Bid

When emergency repairs or alterations are necessary to continue existing classes or to avoid danger of life or property, the Superintendent/President may make a contract on behalf of the District for labor, materials and supplies without advertising for or inviting bids, subject to ratification by the Board.

Unlawful to Split Bids

It shall be unlawful to split or separate into smaller work orders or projects any project for the purpose of evading the provisions of the Public Contract Code requiring work to be done by contract after competitive bidding.

Record Retention

The District will retain records sufficient to detail the history of procurement. These records include: rationales for the method of procurement, selection of contract type, contractor selection and rejection, and the basis for the contract price. The District will retain the related procurement records in accordance with BP/AP 3310, Records Retention and Destruction.

See Board Policy 6340.
