

Hazardous Materials Program

Date Adopted: 9/9/1986

Date Revised: 11/16/2004

Date Reviewed: 2/9/2016

References: California Code of Regulations, Title 8, Sections 340 et seq., 5194, and Title 22, Division 4.5, Sections 66001.0-67786.0; State Water Resources Control Board; State Health and Safety Code

The District will develop, implement, and maintain a Hazardous Materials Program, as per provision in State Law.

The District will develop and implement a Hazardous Materials Communication Program, as per Title 8, Section 5194, California Code of Regulations, which will include the following:

- A written educational process for dealing with hazardous materials (Right to Know);
- An ongoing process to update and maintain the Hazardous Material Program;
- A process for monitoring and mitigating.

The District will develop and maintain a Hazardous Materials Waste Program as per California Code of Regulations, Division 4.5, Sections 66001.0 through 67786.0.

The District will develop and maintain a program to eliminate ground or surface water contamination (State Water Resources Control Board, State Health and Safety Code).

See Administrative Procedure 6850.
