Drug and Alcohol Testing

Date Adopted: 7/11/1995

Date Revised: 6/9/2015

Date Reviewed: 4/9/2019

References: Omnibus Transportation Employee Testing Act of 1991

The Board of Trustees commits to the adoption, implementation, and enforcement of Omnibus Transportation Employee Testing Act of 1991, which requires the District to establish a drug and alcohol testing program for all employees of the District who perform safety-related or safety-sensitive functions which require a valid Class A or Class B Driver's License

Administrative procedures will be developed which adhere to the Department of Transportation rules and regulations covering pre-employment, post-accident, random, reasonable suspicion, return to duty, and follow-up testing for alcohol and controlled substances.

See Administrative Procedure 7327.
