Please fill this out and return it on or before **May 2, 2018** to have your request for PASS peer considered for Fall 2018. We understand that things may change before the Fall semester begins, but we need to make our selections based on our criteria, interview and hire our tutors before the semester ends. Although we will do our best to fulfill your request, due to our budget restrictions and the availability of tutors, we cannot guarantee it.

You will receive a document confirming that you have a PASS peer before the Fall semester begins, when we have the commitment from the PASS peer. Please sign and return it for our records so all three of us are on the same page.

For more information contact the Tutor Center Coordinator **Jennie Longmire** at (916)660-7224, [jlongmire@sierracollege.edu](mailto:jlongmire@sierracollege.edu).

***Please return this form to the Tutor Center electronically or via campus mail by May 2, 2018.***
