<sup>2</sup>UC credit for all Studio Art examinations is limited to 5.3 semester units.

<sup>3</sup>CSU limits credit for Calculus to one examination. UC credit for all Calculus examinations is limited to 5.3 semester units; students who take the Calculus BC examination and earn a subscore of 3 or higher on the Calculus AB portion will receive credit for the Calculus AB examination, even if they don't receive a score of 3 or higher on the BC examination.

<sup>4</sup>UC credit for all English examinations is limited to 5.3 semester units.

<sup>5</sup>CSU credit for all Physics examinations is limited to 6 semester units; UC credit for all Physics examinations is limited to 5.3 semester units.

Sierra College students will automatically receive the above-referenced AP credit if official scores are sent to the college. Grades are not assigned and the credit is not used in calculating the grade point average. Sierra College notifies students of the credit granted. AP exam credit will not be used to alleviate a substandard grade.

NOTE: Each campus in the California State University system and University of California system determines how it will apply AP examinations toward credit in the majors.
