- Maximum Unit Registration Hold request form is only available for previously approved Maximum Unit SEP(s). New Maximum Unit Appeals will be processed after February 11, 2019 based on date received.
- If you sign this Maximum Unit Registration Hold request form, the Financial Aid Office will review your Student Education Plan (SEP) prior to the add/drop date.
- We can only authorize aid for the *approved* units on your SEP.
- Without this form, we review Maximum Unit Appeal SEPs after the add/drop date for the semester. The add/drop date for Spring 2019 is February 10th.
- You **will not** be able to add or drop a class when we place this type of hold on your record. *This includes any courses for which you are waitlisted.*
- You may receive your aid in the first disbursement of the semester and use a Book Voucher, if eligible, to get your books before the disbursement, if this request is submitted in time.
- The first disbursement order date for Spring 2019 is February 11, 2019. Book Vouchers are available January 14th through February 4th.
- The Registration Hold will be taken off after the add/drop date.
- If you ask to have your hold lifted, and it is granted, we will review your courses again after add/drop. You will not receive aid in the first disbursement. You will not be able to participate in the book voucher program. If you have already used your book voucher, you will not be eligible to have your hold removed. If your request to remove your hold is approved you will not be able to complete a Max Unit hold in future semesters.

I AUTHORIZE SIERRA COLLEGE TO PLACE A REGISTRATION HOLD ON MY RECORD. I have read the information listed above and agree to the restrictions and benefits. I understand I may not have the hold lifted to make changes to my schedule.
