

At **Sierra College**, we recognize that the first year of college can be a challenging and exciting time. To help students to build a strong foundation for learning and success, we have created a program designed to meet the needs of our newest college students: **First Year Experience**.

First Year Experience (FYE) is a program that helps students to feel comfortable at Sierra and experience greater academic and personal success by connecting them to helpful campus services, friendly and supportive instructors, and a community of like-minded students. **FYE** also includes Learning Community classes (two or more classes connected together to maximize learning) and **FYE** designated classes

with specially trained **FYE Instructors** and **Counselors**. Students enrolled in **FYE** classes are automatically part of the **FYE** Program and do not need to complete this form.

FYE students are eligible to participate in on and off-campus activities and events including tours of 4 year colleges and Wolverine Days, a college kick-off and welcome event at Sierra College. Membership includes you on our email list so you can stay informed about **FYE** activities.

FYE Coordinating Council is a student-run club focused on providing opportunities for First Year students at Sierra College. Students who participate in the **FYE CC** will find a friendly and supportive group of fellow college students.

Interested in joining the **FYE** Program? Please complete the section below. Return the form to mbrock@sierracollege.edu or drop off the form in the **TRIO** office located between Financial Aid and Counseling in the Winstead Center.

Which **FYE** class are you eligible for or enrolled in? (Please circle all that apply.)
