**What does the department think it can do to improve teaching and learning?**
1. Increase course offerings  
2. Increase department budget  
3. New equipment

**What help or resources are needed from the college to improve teaching and learning?**
1. Increase the staffing (course offerings)  
2. Increase the engineering department funding (both new equipment and maintenance).

**What are top priorities for improvement?**
1. Increase the staffing (course offerings)  
2. Increase the engineering department funding (both new equipment and maintenance).

**How will department implement those priorities?**
Priorities are well documented and justified within the ePAR/TRATDAT system and have been presented to management for approval.

**Provide timeline.**
Documented and presented to administration, Fall 2015.  
New courses, FA2016  
New equipment, SPR2016

**Previous/ongoing actions or plans implemented (Refer to previous DAA form).**
The engineering department put forth this same request (to increase funding) last year. No funding increase was endorsed. We believe that we will procure some equipment this next semester, SPR2016.

**Goals met, changes made or evidence of improvement.**
None. We have asked for this same request last year, increased funding, and we have not had administration’s support.
