What does the department think it can do to improve teaching and learning?  
1) District owned Training Facility (NCC and Main Campus)  
2) Continue Fire Academy Instructor Evaluations  
3) Encourage Part-time instructors to conduct student/instructor Evaluations regularly (don’t wait until regularly schedule faculty evaluation period)  
4) Continued Program Marketing  
5) Continued Review of PSLO’s and SLO’s  
6) Continue to update State Fire Training Curriculum to meet new national standards

What help or resources are needed from the college to improve teaching and learning?  
1) District owned Training Facility on or near main campus  
2) Training tower at the NCC training grounds  
3) Fire Engine/equipment storage area at the NCC training center.  
4) Modular classroom to the Roseville training grounds specific to the fire academy.  
5) Mobile Fire Lab for Hazmat, Fire Invest, and Fire Chemistry courses

What are top priorities for improvement?  
1) District owned fire training center  
2) Develop NCC Public Safety Training Center  
3) Increase enrollment at NCC and TTC  
4) Logistics Person for Fire Academy

How will department implement those priorities?  
1) Continue to work with College staff and industry partners on funding sources.  
2) Continue to request resources through CTE and EPar requests.  
3) SWI funds

Provide timeline.  
1) Although difficult to put a time-line on a main campus training center, a training center has been added to the facility master plan.  
2) Anticipated Spring 2018 start date for NCC Fire Academy  
3) Marketing (on-going)  
4) Networking (on-going)
