**What does the department think it can do to improve teaching and learning?**

- Standardize the administration of the exam, ie. present assessment questions in quizzes and exams throughout the semester prior to the final assessment at the end of the semester. Assessments should have a point value to incentivize students to study and perform at their best.  
- Use of review worksheets.  
- Refer student to learning and support services throughout the semester to improve success.  
- Incorporate active learning experiences in the classroom.  
- Encourage student attendance by taking role, emailing students, use of Starfish and other students to increase participation.  
- Review CSLOs for currency.

**What help or resources are needed from the college to improve teaching and learning?**

- Increase classroom resources for interactive learning.  
- Increase faculty awareness of student services.  
- Tutoring.com for nutrition.

**What are top priorities for improvement?**

- Increase staff knowledge on student support services. Identify students early in the semester who need assistance.

**How will department implement those priorities?**

- Use of Kognito flex activities.  
- Utilization of Starfish.  
- Developing relationships with students.

**Provide timeline.**

- Fall 2016

**Previous/ongoing actions or plans implemented (Refer to previous**

- Use of interactive classroom techniques.
