JOB TITLE: PROGRAM DIRECTOR, SPECIAL PROGRAMS AND SERVICES

PAY GRADE: In accordance with the Educational Administrator Salary Schedule

LAST REVISED: February 2020

SUMMARY DESCRIPTION

Sierra College is committed to Guided Pathways to increase student achievement, timely goal completion and to close equity gaps. In that spirit, this Program Director is responsible for ensuring that areas of oversight afford an inclusive educational and employment environment, focused on equitable outcomes for all. Under the administrative direction of the assigned Dean of Retention and Completion, this position provides the leadership and operational direction to guide and facilitate innovative reforms for the integrated student special programs and services which include, but are not limited to: EOPS/CARE, NextUp/Guardian Scholars, CalWORKs, TRIO, and other programs as assigned within the Guided Pathways framework. This position will assess internal and external effective best practices; collaborate with Research and Planning to establish, review and evaluate performance data; and collaborate with staff to conduct an intensive review of all program policies and procedures. The Program Director will recommend opportunities for policy, regulatory and guideline changes while ensuring legal and fiscal compliance until changes are authorized. The position will have a key focus in working closely with staff in other programs and services, in particular, DSPS, RISE, Puente, Umoja, Veterans, Health and Social Services, Residence Halls, Financial Aid, the Success Center, Engagement Centers, Interest Area Counseling, Career and Transfer, Outreach and emerging partnerships built around the Guided Pathways Student Completion and Equity Strategic Plan.

Sierra College has a strong commitment to the achievement of equity and inclusion among its faculty, staff and students and values the rich diverse backgrounds that make up the campus community. The Director must demonstrate a profound understanding of and experience with successfully supporting individuals with varying backgrounds. This includes former foster youth, first-generation students, persons with disabilities, undocumented scholars, various gender identities, sexual orientation, individuals from historically underrepresented communities and other groups to ensure the District provides strategies for success and proactive, student-centered practices and policies committed to eliminating equity gaps.

REPRESENTATIVE FUNCTIONS: The following duties are typical for this job classification. Incumbents may not perform all of the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

1. Facilitates the development, implementation, supervision, and evaluation of select Special Programs and Services that result in an increase in students served, student success, goal attainment, and successful transition into the workforce or on to a 4-year college or university.

2. Meets and strategizes with program faculty and staff to develop effective methodologies to ensure maximum engagement, culturally responsive and trauma-informed processes and effective use of resource support for students served at all Sierra locations.

3. Plans, implements, prioritizes, assigns, supervises, participates and collaborates in the work of staff responsible for programmatic implementation while also developing and administering the budgets for all programs and coordinating annual reports as requested.

4. Interprets, articulates, implements and monitors compliance with federal and state requirements, local Board and Administrative Policies, applicable human resources procedures, applicable laws, and business services processes.
5. In coordination with appropriate directors, managers, and coordinators, continues the process of integrating areas of oversight into a Guided Pathways framework to create programmatic efficiencies and opportunities designed to extend services to a broader percentage of the student body.

6. Coordinates with all Sierra College locations and other departments providing retention and completion services to ensure the implementation and intentional delivery of services District-wide, and serves as the primary contact for assigned units.

7. Develops and continuously improves programs, communications, and services in response to the changing needs of students; supports marketing and public information functions for the promotion of support services ensuring that the promotion is culturally-inclusive to the audience being reached.

8. Assists with the coordination and planning of full- and part-time counselors and classified staff yearly and daily schedules for the purpose of ensuring appropriate departmental coverage within division standards; identifies resource needs and makes recommendations to allocate resources accordingly.

9. Participates in the evaluation of regular faculty and adjunct faculty as assigned; participates in tenure review and/or mentoring processes as assigned.

10. Assists in the development of short and long-range plans and goals for enrolled students, including specifically identified populations and historically underrepresented students within a Guided Pathways framework; modifies and/or revises policies and procedures as needed to ensure equity-mindedness and on-going compliance with Title 5 and other applicable regulations.

11. Chairs EOPS/CARE as well as NextUp/GSP External Advisory Committees to establish an effective support system with local and regional partners, community organizations, social services, K-12 schools, and four-year colleges/universities.

12. Coordinates, develops and implements programs for continuing students designed to deliver quality and intentional services in an efficient and equity-minded manner, to include but not limited to, student workshops, informational meetings, probation and intervention workshops, Interest Area programming and other related events and services.

13. Develops, collects and analyzes pertinent district-wide data to ensure conformation to statewide Management Information System (MIS) requirements and data-informed decision-making.

14. In collaboration with other stakeholders, provides leadership to deliver effective, innovative and intentional services and activities to improve student success, goal attainment and/or degree completion.

15. Ensures quality of program accountability, including program reviews and audits for evaluation of student outcomes and overall program quality.

16. Attends and participates in professional group meetings; maintains awareness of new trends and developments regarding integrative planning and community college initiatives.

17. Performs other related duties as assigned.

**MINIMUM QUALIFICATIONS:** The following describes the education, experience, knowledge, skills, and abilities required to enter the job and successfully perform the assigned duties.
