***Technical Review Meetings are intended for Curriculum Review only. New courses or programs, changes to existing degree/certificate programs, or substantial course changes must be presented at a regularly scheduled meeting of the District Curriculum Committee.**

Substantial changes to courses include, but are not limited to:

- Major changes to catalog description, objectives or content;
- Changes to units and/or hours;
- Change in repeatability;
- Change in credit/noncredit status;
- Change to prerequisites, corequisites, or advisories;
- Change in instructional modality, such as distance education;
- Placement of course(s) in a general education pattern;
- Basic Skills status
