

Human Development Program

ISLOs, PSLOs, CSLOs, Mapping, and Assessment Plan

		<i>Year 1</i>		<i>Year 2</i>		<i>Year 3</i>		<i>Year 4</i>		<i>Year 5</i>		<i>Year 6</i>	
		F 2013	S 2014	F 2014	S 2015	F 2015	S 2016	F 2016	S 2017	F 2017	S 2018	F 2018	S 2019
CSLO 1	Analyze ECE programs for developmentally appropriate practices and program effectiveness utilizing indicators of quality early childhood practice that support all children including those with diverse characteristics and their families			C									
CSLO 2	Develop one's teaching philosophy and professional goals			C				C					
CSLO 3	Examine strategies for developing skills, knowledge, dispositions, and strengthening relationships among young children							C					

Human Development Program

ISLOs, PSLOs, CSLOs, Mapping, and Assessment Plan

		Year 1		Year 2		Year 3		Year 4		Year 5		Year 6	
		F 2013	S 2014	F 2014	S 2015	F 2015	S 2016	F 2016	S 2017	F 2017	S 2018	F 2018	S 2019
HDEV 3 - Observation, Documentation and Assessment in ECE													
CSLO 1	Compare the purpose, value and use of formal and informal observation and assessment strategies	C											
CSLO 2	Evaluate the character, strength and limitations of common assesment tools	B		C									
CSLO 3	Complete systematic observations using a variety of methods of data collection to assess the impact of the environment, interactions, and curriculum on children's development and behavior	C		C									
HDEV 4 - Child, Family and Community													
CSLO 1	Analyze theories of socialization that address the interrelationship of child, family and community	A											
CSLO 2	Assess the impact of educational, political, and socioeconomic factors on children and families	A		C									
CSLO 3	Determine social issues, changes, and transitions that affect children, families, schools, and communities	A		C									
CSLO 4	Evaluate effective strategies that empower families and encourage family involvement in children's development, including available community support services and agencies	A		C									
HDEV 5 - Introduction to Curriculum													
CSLO 1	Identify developmentally appropriate teaching strategies within a variety of curriculum models and apply them in supervised settings with young children	C											
CSLO 2	Demonstrate an understanding of the many aspects of the teacher's role in early childhood programs	B		C									
CSLO 3	Use the ongoing cycle of curriculum development to plan, implement, and evaluate early childhood activities and environments	C											
HDEV 7 - Health, Safety and Nutrition													
CSLO 1	Assess strategies to maximize the mental and physical health of children and adults in accordance with culturally, linguistic and developmentally sound practice	C											
CSLO 2	Identify health, safety, and environmental risks in children's programs and formulate preventative strategies	C											
CSLO 3	Analyze the nutritional needs of children at various ages and evaluate the relationship between healthy development and nutrition	A											
CSLO 4	Evaluate regulations, standards, policies and procedures related to health, safety, and nutrition in support of young children, teachers and families	A											
HDEV 9 - Child and Adolescent Development													
CSLO 1	Compare and contrast major developmental milestones for children from conception through adolescence in the areas of physical, psychosocial, cognitive, and language development	A											
CSLO 2	Analyze cultural, economic, political, historical context that affect children's development	A		C									
CSLO 3	Identify and compare major theoretical frameworks related to the study of human development	A		C									
CSLO 4	Apply developmental theory to child observations, surveys, case studies, and/or interviews using investigative research methodologies	A		C									
HDEV 10 - Practicum/Field Experience in Early Childhood Education													

Human Development Program

ISLOs, PSLOs, CSLOs, Mapping, and Assessment Plan

			Year 1		Year 2		Year 3		Year 4		Year 5		Year 6	
			F 2013	S 2014	F 2014	S 2015	F 2015	S 2016	F 2016	S 2017	F 2017	S 2018	F 2018	S 2019
HDEV 40 - Administration and Supervision of Early Childhood Programs														
CSLO 1	Apply administration skills in various types of early care and education programs	C												
CSLO 2	Demonstrate knowledge of strategic and fiscal planning	C			C									
CSLO 3	Evaluate components of quality programs, facilities and operations	B												
HDEV 41 - Advanced Administration of ECE Programs														
CSLO 1	Demonstrate effective practices for managing and leading staff and administering early care and education	C												
CSLO 2	Implement ongoing professional development plans based on evaluation of staff and administrator needs	C												
CSLO 3	Establish professional relationships and facilitate collaboration and communication between colleagues, families, and stakeholders	C												
HDEV 43 - Music and Movement for Young Children														
CSLO 1	Analyze how various theoretical perspectives promote the development of young children through music and movement experiences	A												
CSLO 2	Using developmentally appropriate practices, develop age-appropriate music and movement lesson plans for children from infancy to age eight in group settings	A												
CSLO 3	Investigate the benefits of music of movement experiences to the physical, cognitive, and social and emotional development of young children	C			C									
HDEV 44 - Introduction to Children's Literature (ENGL 44)														
CSLO 1	Classify literature and analyze its role in child development.	C												
CSLO 2	Analyze children's literature using concepts such as theme, plot, character, style and genre.	A												
CSLO 3	Evaluate literary qualities of children's literature, including picture books, folktales, fiction, non-fiction, and poetry.	A												
CSLO 4	Analyze controversies associated with criticism of children's literature.	B												
CSLO 5	Analyze literature that meets specific needs of children.	B												
HDEV 46 - Language and Literacy														
CSLO 1	Create early literacy environments according to developmentally appropriate practice.	B												
CSLO 2	Incorporate language and literacy strategies in order to promote children's early literacy skills.	B												
CSLO 3	Implement family and home connections that extend children's literacy development.	C												
HDEV 47 - Math and Science in Early Childhood Education														
CSLO 1	Develop and implement preschool science/math curriculum that is developmentally appropriate	B												
CSLO 2	Analyze how math and science enhances children's development in terms of skills learned in these areas CSLO 4 Evaluate teachers' facilitation of learning in math and science centers.	B, C												
CSLO 3	Develop the ability to identify, choose, and design appropriate materials for science and math centers	B												
HDEV 61 - Nutrition Throughout the Life Cycle (NUTF 13)
