<b>Program/Degree/Certificate:</b>	Mechatronics
What does the department think it can do to improve teaching and learning?	Monitor and provide individual instruction to students that are under-performing during lab exercises. Offer supervised open lab time for extra practice by under-performing students.
What help or resources are needed from the college to improve teaching and learning?	Sufficient student lab assistants to free instructors up during lab for individual work with struggling students.
What are top priorities for improvement?	Supervised open-lab time, especially at NCC.
How will department implement those priorities?	Continue to submit requests for room use and instructor / student assistant time for open labs.
Provide timeline.	In progress.
