What does the department think it can do to improve teaching and learning?	Overall, are department is doing VERY well! We were recently ranked #3 Best Nursing programs in California, by Registered Nursing.Org. Ongoing continuing education and updated information regarding technology is a must. Ongoing evaluation of our computer based testing (Kaplan) is important along with current trends in our hospital settings, such as the Electronic Medical Record (EMR)	
What help or resources are needed from the college to improve teaching and learning?	Implementation of documentation utilizing electronic record technology would better prepare students for future employment.	
What are top priorities for improvement?	Ongoing continuing education for faculty as well as keeping current with technology utilized in the hospital settings.	
How will department implement those priorities?	Explore resources to obtain an Electronic medical Record (EMR) program to be implemented in simulation and skills lab.	
Provide timeline.	ongoing	
Previous/ongoing actions or plans implemented (Refer to previous DAA form).	Hired a Nursing skills lab coordinator 16 hrs a week starting in Spring 2018
