

## SIERRA COLLEGE NURSING PROGRAM ARTICULATION GRID

### LIST OF APPROVED NURSING PREREQUISITE COURSE EQUIVALENTS

Courses on this grid are approved as equivalent or comparable to the pre/co-requisite courses for the Sierra College Nursing Program. Sierra College courses appear at the top of this grid. Although every effort has been made to ensure the accuracy of this document, errors are possible. All pre/co-requisites courses must be completed with a grade of “C” or higher. Colleges are listed in alphabetical order. You do not need to include course descriptions with your nursing application for classes listed on this grid.

Additional information about the Sierra College Nursing Program requirements and application process can be found online at:

<https://academics.sierracollege.edu/registered-nursing>

*This grid is a work in-progress and will be updated regularly.*

**\*Two semesters of high school algebra completed with grades of C or better, or Elementary algebra is the minimum admission requirement for our nursing program. Other acceptable math classes are Intermediate or college level algebra, statistics, OR equivalent to Math 16A, 16B, 29, 30, 31, 42 will fulfill this requirement. For more information see the Sierra College Nursing Program website and/or Sierra College catalog.**

**Co-requisites** must be completed before the student enters the last year of the Associate Degree Nursing Program.
