Pursuant to Section 55023 of Title 5, the procedures for Incomplete (INC) grades are as follows:

- An incomplete is defined as academic work which, for unforeseeable, emergency and justifiable reasons, at the end of the term.
- It is the primary responsibility of the student to request an incomplete.
- Instructor files a written record of conditions for removal of "I" and the assigned grade in lieu of removal. A copy is given to the Records Office and a copy will be forwarded to the student.
- The incomplete may be made up **no later than one year** after the end of the term in which it was assigned, at which time, the instructor's grade shall be entered on the record.
- A student may petition for an extension of one semester of time due to unusual circumstances. Such a petition will be reviewed by the instructor whose decision shall be forwarded to the Division Dean and the Records Office.
- Incomplete petitions must be approved prior to an instructor's submission of final grades.
