

## SIERRA COLLEGE – RESTRICTED COURSE LIST

Sierra College offers multiple ways for students to earn college credit while still in high school, either at participating high schools or on a Sierra College campus. Students may be prohibited from enrolling certain courses based on health, safety and/or legal considerations or courses falling into certain categories listed below.

- Intercollegiate Athletics courses
- Kinesiology activity courses
- Overnight fieldtrips
- Certain Police and Fire Academy, Nursing and EMT courses
- Internship courses (Courses numbered 94 or 95)
- Independent studies (Courses numbered 28)
- Honors contracts
- Pre-collegiate courses

### **Additional Notes:**

- Students must meet all established pre-requisites.
- Early or Middle College Students may take restricted courses upon approval from Sierra College and their high school.
