(Revised July 1, 2022)
(Revised July 1, 2023)

PREAMBLE

This Handbook was created between the Sierra Joint Community College District (hereinafter referred to as “District”) and the Management and Confidential Senate (MACS) Meet and Confer Team (hereinafter referred to as “Meet and Confer Team”). Both parties will meet and confer to discuss matters as needed.

Website Information

This Handbook is available on the Sierra College website. Updates will be posted as amendments are made.

This Handbook has been prepared to provide Sierra College Community College District management, supervisory, and confidential employees a ready reference regarding their rights, working conditions, and related procedures and practices. The Handbook is designed to provide basic information with the understanding that the District Human Resources Office is available to provide additional information on specific questions not addressed in the handbook.

Although an attempt has been made to write procedures without differentiating between classified and academic employees, it was necessary in some areas to note differences because of applicable Education Code sections.

The District procedures concerning management, supervisory, and confidential employees are subject to such modifications as may, in the opinion of the Governing Board, be required by state or federal legislation, state or federal court decisions, or other changes in the law governing employees. The Handbook will not be changed without consultation with the Meet and Confer Team, and all changes to this manual which reflect new agreements with the District and Management employees shall be Board approved.

CHAPTER I: DEFINITIONS

A. Educational and Classified Administrators

Administrator, as defined in Education Code Section 87002(a), means any person employed by the governing board of a community college district in a supervisory or management position as defined in Chapter 5 (commencing with Section 3540) of Chapter 10.7 of Division 4 of Title I of the Government Code.

In accordance with Education Code Section 72411, every Educational Administrator will be employed, and all other Administrators may be employed by the governing board of the District (Board of Trustees) by an appointment. In accordance with Education Code Section 87002(b), an Educational Administrator means an Administrator who is employed in an academic position designated by the governing board of the district (Board of Trustees) as having direct responsibility for supervising the operation of, or formulating policy regarding, the instructional or student services program of the college of the district. Educational Administrators include, but are not limited to, Presidents, Vice Presidents, Deans and other Supervisory or Management employees designated by the governing board as Educational Administrators.

Educational Administrators, as designated by the governing board of the district and defined in Government Code 3540.1(g), are employees in positions having significant responsibilities for formulating district policies or administering district programs.

The Board of Trustees recognizes the Educational Administrative positions listed in Exhibit A.

B. Classified Management

Classified Managers and Supervisors (hereinafter collectively referred to as "Classified Management"), as recognized by the governing board of the District, are employees having authority, in the interest of the District, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to and direct them, or to adjust their grievances, or effectively recommend such action, if in connection with the foregoing functions, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment.

The Board of Trustees recognizes the Classified Management positions listed in Exhibit A.

C. Classified Confidential Employees

Classified Confidential Employee means any employee who is required to help develop or present management positions with respect to employer-employee relations or whose duties normally require

1 access to confidential information that is used to contribute significantly to the development of
2 management positions. Government Code §3540.1 (c).

3
4 The Board of Trustees recognizes the Classified Confidential positions listed in Exhibit A.

5
6 **D. Board of Trustees Contract Positions**

7 The Superintendent/President and Assistant Superintendent(s)/Vice President(s) will be referred to
8 throughout this Handbook as “board contract positions.” Unless otherwise noted in this Handbook,
9 employment terms and conditions for board contract positions are established by the Board of Trustees. A
10 detailed list of board contract positions may be found in Exhibit A.

11
12 **E. Meet and Confer**

13 The duty to meet and discuss requires an employer to engage in the process in good faith i.e., with a willingness
14 to listen and to give an accept reasons for their actions or positions.

15
16 The duty to meet and confer in good faith creates a mutual obligation to meet and confer on request by either
17 party and to endeavor to reach agreement before any changes are implemented.

18
19 **F. Exempt Status**

20 Educational Administrators and Classified Management are exempted from the overtime provisions of the
21 Fair Labor Standards Act. As an exempt employee, Educational Administrators and Classified Management
22 are responsible for devoting time, skills, labor and attention to managing, administering, and supervising
23 the affairs of the District and will perform such other responsibilities and duties as are prescribed by law,
24 Board Policy, or the direction of the immediate manager. In order to achieve effective accomplishment of
25 the responsibilities detailed above, Educational Administrators and Classified Management are not
26 constrained by the usual time and productivity measurements, such as an eight (8) hour day, forty (40) hour
27 work-week. The District and its managers recognize that the above levels of responsibilities and
28 participation will be accepted as a standard of performance.

1

CHAPTER II: SAFETY

2 The District will provide and maintain a safe working environment including safe facilities and equipment which will
3 conform and comply with all health, safety, and sanitation requirements by law.

4 Employees of the District covered under this Handbook who perform a safety-rated or safety sensitive function as
5 determined by the Omnibus Transportation Employees Testing Act of 1991 will be required to adhere to Board Policy
6 7327 and Administrative Procedure 7327.

7

CHAPTER III: PROBATIONARY PERIOD AND INDIVIDUAL APPOINTMENTS

A. Probationary Period

The final step in the District's selection process for a newly hired Classified Manager or Classified Confidential employee is the successful completion of the probationary period. The probationary period for newly hired Classified Managers or Classified Confidential employees is twelve (12) months from the date of hire. Newly hired probationary Classified Managers will be evaluated within the first five (5) to eight (8) months of employment. Probationary Classified Confidential employees will be evaluated at three (3) month intervals (3rd, 6th, 9th and 11th month). A non-probationary District employee who accepts a Classified Management or a Classified Confidential position will serve a six (6) month probationary period and will be evaluated no later than the fifth month of the probationary period.

Probationary employees are at-will and may be released with or without cause during the probationary period.

Upon successful completion of the probationary period, Classified Management, and Classified Confidential Employees will obtain regular employment status.

Terms and conditions of employment for board contract positions, including whether to assign a probationary period, will be established by the Board of Trustees.

B. Educational Administrators

Educational Administrators will be employed by appointment in accordance with Education Code Section 72411.

C. Board Contract Employees

As board contract positions, the Superintendent/President and Assistant Superintendent/Vice President(s) will be employed in accordance with Education Code Section 72411. The terms and conditions of these appointments will be at the discretion of the Board of Trustees.

D. Classified Management

Classified Management will be employed in accordance with Education Code Section 88000, et. Seq.

1 Appointments for Classified Management will be recommended by the Superintendent/President and
2 approved by the Board of Trustees. Classified Management employees' terms and conditions of
3 employment are contained within this Handbook.

4 **E. Classified Confidential Employees**

5 Classified Confidential employees are employed in accordance with Education Code Section 88000, et. seq.

6

7 Appointments for Classified Confidential employees will be recommended by the Superintendent/President
8 and approved by the Board of Trustees. Classified Confidential employees terms and conditions of
9 employment are contained with this Handbook.

1 **CHAPTER IV: RETREAT RIGHTS & LAYOFF RIGHTS**

2 **A. Educational Administrators – Retreat Rights**

3 In accordance with Education Code Section 87458 an Educational Administrator employed on or after July
4 1, 1990, who has not previously acquired tenure status as a faculty member in the District, will have the
5 right to become a first-year probationary faculty member once their administrative assignment expires, or
6 is not renewed, if all of the following are satisfied:

- 7 1. The Educational Administrator has completed at least two (2) years of satisfactory service,
8 including any time previously served as a faculty member, in the District.
- 9 2. The non-renewal of the administrative assignment is for any reason other than dismissal for cause.
10 The decision of the Board of Trustees not to renew the appointment of an Educational
11 Administrator does not in and of itself constitute a dismissal for cause.
- 12 3. The Board of Trustees determines that the Educational Administrator possesses the minimum
13 qualifications for employment as a faculty member. In making that determination, the Board of
14 Trustees will follow the process set forth in the Education Code.

15
16 **B. Layoff Provisions – Educational Administrators**

- 17 1. Layoff
18 Educational Administrator positions may be laid off in accordance with applicable provisions of
19 law. Educational Administrators who are laid off will have reemployment rights as provided by
20 law.
- 21 2. Non-Reemployment
 - 22 a. Educational Administrators may be released or non-reemployed in accordance with applicable
23 provisions of law.
 - 24 b. Educational Administrators who are released or non-reemployed will be entitled to retreat
25 rights as provided by law.

26
27 **C. Classified Confidential Employees – Layoff Rights**

28 Classified Confidential employees are provided the same rights and privileges as represented Classified
29 employees insofar as seniority and bumping rights are concerned in accordance with Education Code
30 Section 88127.

1 **D. Classified Management Layoff**

2 1. Layoff/Elimination of Positions

3 The District may lay off Classified Management positions. Layoffs will meet all requirements of
4 law.

5 2. Reduction in Hours

6 The District may reduce the assigned hours of a Classified Management position or reduce the
7 number of months or work of a Classified Management position (collectively a “decision to reduce
8 hours”). After a decision to reduce hours, any reduction in regularly assigned hours will proceed
9 in the same manner as layoffs. Classified Management whose hours are reduced will be entitled
10 to the same rights and benefits as Classified Management who are laid off except as set forth in
11 section 6(c) below.

12 3. Notice of Layoff/Reduction in Hours

13 A Classified Manager who is to be laid off or whose hours are to be reduced will receive at least six
14 (6) months advance written notice.

15 4. Order of Layoff

- 16 a. Layoffs and decisions to reduce hours will be implemented by seniority within a job title. A
17 classified Manager with the least seniority in that job title will be laid off first.
- 18 b. Seniority will be determined by date of hire. If dates of hire of two or more Classified
19 Managers are identical, the determination of which employee(s) will be laid off or have their
20 hours reduced will be made by lot.

21 5. Retirement in Lieu of Layoff

22 A Classified Managers who is eligible for retirement and who has received a notice of layoff may,
23 in lieu of layoff, elect to accept service retirement without loss of reemployment rights as provided
24 in the Education Code Section 88015.

25 6. Return Rights and Severance Options

- 26 a. Except as provided in Section 8(a), Classified Managers whose positions are eliminated due to
27 layoff will have whichever return rights to bump into or to return to any subordinate
28 classification in another bargaining unit allowed by law and not in conflict with collective
29 bargaining agreements. However, nothing in this Chapter will preclude the District and the
30 individual Classified Managers from agreeing to placement in a position within another
31 bargaining unit.
- 32 b. A Classified Manager who promoted from a management position to another management
33 position and is on probation at the time that their position is eliminated may have the right to
34 return to their former position in lieu of layoff. A Classified Manager who is on probation at
35 the time that their position is eliminated, but who did not promote to their current position,

will have no return rights to any position in the District.

- c. If a permanent Classified Managers position is eliminated and the Manager is laid off, the permanent Classified Manager may, in lieu of receiving reemployment rights, voluntarily resign their employment with the District as of the effective date of the layoff notice, and receive a severance package compensation payable in a lump sum in the month following the employee's resignation at the following rate:

Terms of Employment	Payment
1 Year	\$-0-
2 Years	\$ 2,500.00
3 Years	\$ 3,750.00
4 Years	\$ 5,000.00
5 Years	\$ 6,250.00
6 Years	\$ 7,500.00
7 Years	\$ 8,750.00
8 Years	\$10,000.00
9 Years	\$11,250.00
10 Years	\$12,250.00
11 Years	\$13,750.00
12 Years	\$15,000.00
13 Years	\$16,250.00
14 Years	\$17,500.00
15 Years	\$18,750.00

All severance payments will be subject to applicable deductions and taxes as required by law. Severance payments will not count as compensation for retirement purposes. Acceptance of a severance package will, to the maximum extent permitted by law, constitute a waiver of any right to file any claim or proceeding against the District and ends any reemployment rights the employee may have. In order to exercise the option described above regarding a severance package, the employee will be required to sign a waiver.

7. Reemployment Rights

- a. A permanent Classified Manager who has been laid off and who did not resign in order to receive the severance payments set forth in Section 6(c) above may have reemployment rights for a period of thirty-nine (39) months from the date of layoff. The District will offer such a Classified Manager any available position in a job title or job titles in which the Classified Manager had formally achieved permanency.
- b. The order of such offers will be according to the seniority. A permanent manager re-employed after layoff may be fully restored to their job as a permanent employee (with all appropriate service credit and level of benefits) and to their former placement on the salary schedule.

1 c. Probationary Classified Managers will not have reemployment rights.

2 8. Notification of Opening

3 a. A permanent Classified Manager who has been laid off and who chose not to voluntarily resign
4 in order to receive the severance payments set forth in Section 6(c) will be notified in writing
5 of any available management position in a job title or job titles in which the manager had
6 formally achieved permanency.

7 Such notice will be sent by certified mail to the last address given to the District by the
8 manager. The mailing of this notice will constitute the entire notification responsibility of the
9 District.

10 b. An eligible Classified Manager will notify the District of their intent to accept or refuse
11 reemployment within ten (10) calendar days of the mailing of the reemployment notice. If
12 the Classified Manager accepts reemployment, they must report to work within thirty (30)
13 calendar days following the mailing of the notice.

14 c. If a Classified Manager fails to reply to a reemployment offer in writing within ten (10) calendar
15 days or refuses an offer of reemployment, their reemployment rights will terminate without
16 further notice from the District.

1 **CHAPTER V: EDUCATIONAL ADMINISTRATOR – TERMINATION OF EMPLOYMENT WITHOUT CAUSE**

2
3 **A. Termination of Employment Without Cause: Buy Out**

- 4 1. The Board of Trustees will have the right, without cause or a hearing, to unilaterally terminate an
5 Educational Administrator’s appointment at any time and sever the employment relationship
6 between the District and the Educational Administrator under the following provisions.
7 2. This Chapter only governs the terms upon which the District may terminate an Educational
8 Administrator without cause and does not govern the District’s right to release/non-reelect an
9 Educational Administrator at the expiration of the Educational Administrator’s appointments or
10 apply to the termination of an educational administrator for cause.

11
12 **B. Terms of Buy Out**

- 13 1. If the District terminates an Educational Administrator without cause, the District will pay the
14 Educational Administrator their salary from the date of termination until the expiration of the
15 Educational Administrator’s appointment, or for a period of twelve (12) months, whichever is less.
16 2. Payments to the Educational Administrator will be made on a monthly basis unless the parties
17 agree in writing otherwise.
18 3. The term “salary” will include only the Educational Administrator’s regular monthly base salary
19 and will not include the value of any other stipends, reimbursements or benefits. All payments
20 will be subject to applicable payroll deductions and will be treated as compensation for state and
21 federal tax purposes.
22 4. Payments made pursuant to this termination without cause provision will be considered as final
23 settlement pay and will not count for any CalSTRS and CalPERS purposes; accordingly, no
24 deductions will be made for retirement purposes.
25 5. This Chapter is intended to meet the District’s obligations and to comply with Government Code
26 sections 53260-53264. If Government Code sections 53260-53264 are repealed, the parties will
27 meet and discuss any necessary revisions to this section.

28
29 **C. Retreat Rights**

30 Any Educational Administrator subject to termination without cause shall retain their retreat rights as
31 provided by law.
32

33 **D. Mandatory Buy Out as a Resignation**

34 If the District elects to terminate an Educational Administrator without cause, in exchange for the severance
35 payment set forth above [B(1)], the Educational Administrator will be deemed to have voluntarily resigned

1 from the Administrators position and the Education Administrator acknowledges that they have been fully
2 compensated for all tort, contract, and other damages to the maximum extent allowed by law.

3

4 **E. Termination for Unlawful Fiscal Practices**

5 If the Board believes, and subsequently confirms through an independent audit, that an Educational
6 Administrator has engaged in fraud, misappropriation of funds, or other illegal fiscal practices, then the
7 Board may immediately terminate Educational Administrator solely upon written notice to Educational
8 Administrator and Educational Administrator will not be entitled to the severance payment described above
9 or any compensation of any nature, whether as cash, salary payments, health benefits, or other non-cash
10 settlement. This provision is intended to implement the requirements of Government Code section 53260,
11 subdivision (b).

12

13 **F. Abuse of Office**

14 Should an Educational Administrator be terminated without cause and receive the severance payment
15 described above, or receive a paid leave of absence, such paid leave or severance payment will be fully
16 reimbursed to the District by the Educational Administrator if the Educational Administrator is convicted of
17 a crime involving an abuse of their office or position. In addition, if the District funds the criminal defense
18 of the Educational Administrator against charges involving abuse of office or position and the Educational
19 Administrator is then convicted of such charges, the Educational Administrator will fully reimburse the
20 District all funds expended for their criminal defense. This provision is intended to implement the
21 requirements of Government Code sections 53243-53243.4.

22

CHAPTER VI: RESPONSIBILITIES

The Board of Trustees recognizes the importance of a management team for the purpose of fulfilling its legal responsibilities for the administration of public education in the Sierra Joint Community College District. While the Board of Trustees places emphasis upon participatory governance, nothing in this Handbook intends to limit the responsibility and authority of the Board of Trustees, Superintendent/President, and management to ultimately make decisions as prescribed by law.

Management will devote time, skills, labor and attention to managing, administering, and supervising the affairs of the administrative office, and will perform such other duties as are prescribed by law, Board Policy, or the direction of the immediate manager. To achieve effective accomplishment of these objectives and responsibilities, managers are not constrained by the usual time and productivity measurements, such as an 8-hour day, 40-hour week. Classified Confidential employees are non-exempt per Fair Labor Standards Act and are afforded the same rights and privileges as Classified employees insofar as hours and overtime affect the working conditions. It is recognized that these levels of participation will be accepted as a standard of performance by all employees designated as management. Educational Administrators, including board contract positions, Classified Management, and Classified Confidential employees will be provided written classification descriptions which specify their professional duties and responsibilities in accordance with Education Code Sections 72400 and 88001 as applicable.

VII. COMPENSATION

All Educational Administrators, Classified Management, and Classified Confidential employees will be paid according to a Board approved salary schedule and/or Board contract. A salary schedule reflecting the determined rates for each group may be found in Appendix B.

Compensation for all board contract positions will be established by the Board of Trustees.

A. Work Year

The length of the work year for full-time management personnel will be 260 days. The District recognizes holidays as specified by the Classified Calendar.

For purposes of retirement, to earn a full year of service credit during any fiscal year with CalPERS, employees must work at least:

- 10 full months if paid monthly
- 1,720 hours if paid hourly
- 215 days if paid daily

For purposes of retirement through CalSTRS, full-time employees earn a full year of service credit for each academic year they work as an Educational Administrator or two hundred sixty (260) days.

B. Length of Individual Employment Appointment – Educational Administrators

1. Individual Employment Appointment

Educational Administrators will be employed pursuant to an appointment by the Board of Trustees. The length of employment will be specified in the Board action approving the appointment of each Educational Administrator. The length of employment will be governed by this Chapter [or applicable Education Code].

2. Survival of Appointment

An individual Educational Administrator's term of appointment will then be governed solely by the applicable provisions of law.

3. Length of Appointment

- a. The initial contract of all newly employed or promoted Educational Administrators will end on June 30 of the fiscal year in which the appointment is made.
- b. If the term of the initial appointment is less than ten (10) months and the Educational Administrator is reappointed, the second appointment will run for one complete school year from July 1 to June 30.

- c. All appointments made subsequent to the initial appointment process as described in section 3(a) and 3(b) will be made for two (2) year periods, with the term of the appointment commencing on July 1 and ending on June 30.
- d. Notwithstanding section 3(c), the District may make one (1) year appointments where the performance of the Educational Administrator is such that the District is unwilling to make a two (2) year appointment. In such cases, the District will provide the Educational Administrator with the reasons in writing and a remediation plan. The remediation plan will be developed in consultation with the affected Educational Administrator.

4. Renewal of Appointment

- a. The renewal of an appointment of an Educational Administrator will be accomplished only by a vote of the Board of Trustees; however, an Educational Administrator's appointment will be automatically extended under its then existing terms if the District fails to provide the Notice of Non-Renewal in a timely manner, as set forth below.
- b. Notwithstanding section 4(a), no automatic extension of an appointment will result in an Educational Administrator receiving an automatic salary adjustment in excess of legally allowable limits. (See Government code section 3511.1). If the Educational Administrator's appointment is renewed without affirmative board action, the Educational Administrator's salary after renewal may be increased but only up to legally allowable increases.
- c. If the Board, at an open session regularly called meeting, ratifies the renewal of an Educational Administrator's contract that was previously renewed only as a result of not timely board action, the, notwithstanding section 4(b), the Educational Administrator's salary may be increased consistent with the provisions of this Agreement.

5. Non-Renewal of Appointment

The decision to renew the appointment of an Educational Administrator may be with or without cause, for any reason not prohibited by law.

6. Notice of Non-Renewal

- a. On or before March 15 of the final year of an individual Educational Administrator's appointment, the District will provide written notice of non-renewal.
- b. Notice of non-renewal will be sent by United States mail to the administrator's residence address on file with the District with a postmark no later than March 15.
- c. Service of the notice of non-renewal as set forth above is deemed to be actual notice and personal service given on or before March 15 in conformance with all requirements of law even if the Educational Administrator actually receives the notice on or after March 15.

7. Contents of Notice of Non-Renewal

The Notice of Non-Renewal will state that the Educational Administrator's appointment is not being renewed. The expiration date of the appointment will be June 30 of the year in which the

notice of non-renewal is used.

8. Retreat Rights Following Non-Renewal of Appointment

An Educational Administrator whose appointment has not been renewed may have retreat rights to a faculty position to the extent required by law.

9. Appeal of Decision Not to Renew Appointment

a. The decision by the Board of Trustees not to renew the appointment of an Educational Administrator will be final.

b. Educational Administrators may challenge the non-renewal of their appointment in court.

10. Salary Payments

All positions covered by this Handbook are paid monthly in twelve (12) equal payments on or about the last working day of the month.

11. Salary Placements – Educational Administrator

a. The Educational Administrator Salary Schedule will be from Step 1 to Step 5. Initial placement will normally be on Step 1. CHAPTER IX: EVALUATION PROCESS

Preface

The evaluation procedure will serve as an instrument to measure and improve the effectiveness and efficiency of the employee. The primary purpose of the evaluation is to assess an individual's strengths and weaknesses as observed by the immediate manager(s).

A. Evaluations for First Year and Probationary Managers

First year and probationary managers will be evaluated using the process below:

Step One:

First year and probationary managers will be evaluated within the first six (6) to eight (8) months of employment. Within the first few weeks of the hire date, the new manager will meet with their manager to identify core tasks to be completed during the first six (6) to eight (8) months of employment. Core tasks will be identified from any of the following: the manager's job description, ePAR information, District goals and priorities, ACCJC accreditation standards, regulatory standards, the Performance Criteria listed in Appendix C, and other relevant information. The jointly determined core tasks will be noted on the Performance Assessment Report ("Report" in Appendix C). The manager and their immediate manager will also identify related assessment criteria for each core task. These core tasks and related assessment criteria will be used as the framework for reviewing job performance for the first six (6) to eight (8) months of employment. In the event that the manager and their immediate manager are unable to agree on the core tasks or assessment criteria, the immediate manager will determine the core tasks and assessment criteria but may note any disagreement in the Report by briefly identifying the areas of disagreement and the reasons therefore.

Step Two: Review of Core Tasks and Assessment Criteria by Next Level Manager

The immediate manager may submit the core tasks and assessment criteria for review by the next level manager who may alter them. After the next level manager has approved the core tasks and assessment criteria, the manager will be provided with a written copy of them in the form of the Report and the manager and their immediate manager will review them.

Step Three: Performance and Assessment of Core Tasks

During the review period, the manager will perform the core tasks. At the end of the review period, the manager will meet with their immediate manager to assess progress toward the core tasks using the

1 agreed-upon assessment criteria. At this meeting, the manager and their immediate manager will also set
2 the core tasks and assessment criteria to be used during the next performance cycle.

3 4 Step Four: Written Review of Performance

5 The written review of performance will include a written self-evaluation by the manager followed by a
6 written narrative evaluation by the immediate manager using the Report form. These written evaluations
7 will include a review of the manager's performance of the core tasks as measured by the stated assessment
8 criteria established in steps one and two. Prior to producing the final Report, the immediate manager will
9 have met with the manager to discuss the manager's performance. After drafting the final Report, the
10 manager will check in with the manager to resolve any areas of disagreement and make other such changes
11 as are necessary to the final document. In the event that areas of disagreement cannot be resolved, the
12 immediate manager will include in the Report a description of the unresolved disagreements. Following the
13 preparation of the final Report, the immediate manager will present a copy to the Manager, who will sign
14 the Report. The manager's signature indicates only receipt of the report and does not constitute proof of
15 agreement with its contents. If the manager refuses to sign the Report, the immediate manager will so note
16 this on the Report. The Report will then be reviewed by the next level manager (if any), the Vice President
17 of Human Resources, and the Superintendent/President or designee. The Report will then be placed in the
18 manager's personnel file.

19 20 **B. Evaluations for Continuing Managers**

21 Continuing managers will be evaluated using the process described below:

22 23 Step One: Identify Core Tasks and Assessment Criteria

24 At the start of the performance cycle (usually the anniversary of the hire date), the manager and their
25 manager will meet to identify core tasks to be reviewed during the performance cycle. Core tasks will be
26 identified from any of the following: the manager's job description, ePAR information, District goals and
27 priorities, ACCJC accreditation standards, regulatory standards, the Performance Criteria listed in Appendix
28 C, and other relevant information. The jointly determined core tasks will be noted on the Performance
29 Assessment Report ("Report" in Appendix C). The manager and their immediate manager will also identify
30 related assessment criteria for each core task. These core tasks and related assessment criteria will be used
31 as the framework for reviewing job performance for the year under review. In the event that the manager
32 and their immediate manager are unable to agree on the core tasks or assessment criteria, the immediate
33 manager will determine the core tasks and assessment criteria but will note any disagreement in the Report
34 by briefly identifying the areas of disagreement and the reasons therefore.

35 Step Two: Review of Core Tasks and Assessment Criteria by Next Level Manager

1 The immediate manager may submit the core tasks and assessment criteria for review by the next level
2 manager who may alter them. After the next level manager has approved the core tasks and assessment
3 criteria, the manager will be provided with a written copy of them in the form of the Report and the
4 manager and their immediate manager will review them.

5

6 Step Three: Performance and Assessment of Core Tasks

7 During the review year, the manager will perform the core tasks. At the end of the review year, the manager
8 will meet with their immediate manager to assess progress toward the core tasks using the agreed-upon
9 assessment criteria. At this meeting, the manager and their immediate manager will also set the core tasks
10 and assessment criteria to be used during the next performance cycle.

11

12 Step Four: Written Review of Performance

13 The written review of performance will include a written self-evaluation by the manager followed by a
14 written narrative evaluation by the immediate manager using the Report form. These written evaluations
15 will include a review of the manager's performance of the core tasks as measured by the stated assessment
16 criteria established in steps one and two. Prior to producing the final Report, the immediate manager will
17 have met with the manager to discuss the manager's performance. After drafting the final Report, the
18 manager will check in with the manager to resolve any areas of disagreement and make other such changes
19 as are necessary to the final document. In the event that areas of disagreement cannot be resolved, the
20 immediate manager will include in the Report a description of the unresolved disagreements. Following the
21 preparation of the final Report, the immediate manager will present a copy to the Manager, who will sign
22 the Report. The manager's signature indicates only receipt of the report and does not constitute proof of
23 agreement with its contents. If the manager refuses to sign the Report, the immediate manager will so note
24 this on the Report. The Report will then be reviewed by the next level manager (if any), the Vice President
25 of Human Resources, and the Superintendent/President or designee. The Report will then be placed in the
26 manager's personnel file.

27

28 **C. Evaluations for Remediation**

29 If remediation for poor performance is necessary, using the evaluation process described in Steps One
30 through Four, a manager will be re-evaluated quarterly at 3, 6, and 11 months from the date of the
31 unsatisfactory evaluation. As described in Evaluations Steps One through Four, core tasks, check-in
32 meetings, self-evaluations, and manager Reports will be completed until the documented deficiencies are
33 corrected.

34

35 **D. Classified Confidential Employees**

1 Classified Confidential Employees will be evaluated in accordance with the procedures in existence for
2 represented Classified personnel. A first year employee is considered on probation for one (1) year (from
3 the initial date of hire). All other employees are considered regular employees. Probationary employees
4 will be evaluated at three (3) month intervals (3rd, 6th, 9th and 11th month). A regular employee will be
5 evaluated annually in their anniversary month.

6 **Evaluation Process:**

7 1. **Methodology**

8 The Classified Confidential Employee Evaluation form will be utilized to evaluate a probationary or
9 regular Classified Confidential Employee. (Appendix D). The evaluation will be based only on
10 factual data of job performance including direct observation of the employee.

11 2. **Process**

12 The immediate manager, after completing the evaluation, will meet with the employee to discuss
13 the evaluation. Upon completion of the meeting, both manager and the employee will sign the
14 evaluation.

15 The employee may write their comments to the evaluation. If the employee wishes to attach their
16 comments at a later date, they may do so within five (5) working days of the date of the evaluation.

17
18 The employee will be given a copy of the evaluation, and a copy will be placed in the employee's
19 personnel file.

20 **Overall Evaluation Ratings**

21 Outstanding - Total work performance is definitely superior and well above the
22 standards of performance required for the position. It reflects
23 exceptional characteristics and should be listed only in rare instances.

24 Very Satisfactory- Total work performance exceeds the standards of performance
25 required for the position. It reflects added effort asserted by the
26 employee and should be recognized as such.

Sick Leave Usage

At the beginning of each fiscal year, the full amount of sick leave granted under this section will be available to board contract positions, Classified Management, and Classified Confidential Employees. Sick leave need not be accrued prior to taking such leave and such leave may be taken at any time during the year. An employee who leaves the District and has used more sick leave than earned will have the appropriate amount deducted from their final paycheck. A new employee of the District may not use more than the proportionate amount of sick leave actually earned until the employee has reached the first day of the calendar month after completion of six (6) months of active services.

Pay for any day of paid sick leave will be the same as the pay which would have been received had the employee covered under this Handbook served the day of illness. Exempt employees may not use sick leave in increments of less than one day [per FLSA – exempt status]. Non-Exempt employees may use sick leave in fifteen (15) minute increments.

Upon retirement, unused sick leave will be coordinated with the retirement system which is established by law.

An employee covered under this Handbook who must be absent due to illness or injury must notify their immediate manager or designee of intended absence prior to the start of the workday. If conditions make prior notification impossible, the employee will notify their immediate manager explaining the reason for the absence as soon as circumstances permit.

An employee covered under this Handbook absent for three (3) working days or more may be required to present a physician’s statement stating the nature of the illness or injury and the date the employee is able to return to work.

Where the Superintendent/President or their designee has reasonable cause to believe the employee covered under this Handbook is abusing sick leave privileges, the Superintendent/President or their designee will notify the employee in writing and may require the employee to provide a physician’s statement to verify the employee was unable to come to work due to the illness or injury.

C. Additional Sick Leave

Additional Sick Leave provides additional leave following exhaustion of all sick leave balances. At the beginning of each fiscal year, Classified Management, and Classified Confidential Employees will be credited

1 with a total of one hundred (100) working days of paid additional sick leave which will be compensated at
2 not less than fifty percent (50%) of the employee's regular pay. Additional sick leave does not accumulate
3 year to year.

4
5 In accordance with Education Code Section 88196 classified employees (Classified Management and
6 Confidential) are entitled to Extended Illness Leave. For purposes of counting, the 100-day count will begin
7 on the first day of absence.

8
9 In accordance with Education Code Section 87780 academic employees (Educational Administrators) are
10 entitled to Extended Illness Leave.

11
12 The amount an employee covered under this Handbook is paid while such leave is running will not exceed
13 the employee's regular pay. Additional sick leave can only be used for extended illnesses or injuries. In any
14 event, the absence or illness must be verified by a physician.

15

16 **D. Bereavement Leave**

17 The District agrees to grant necessary leave of absence with pay at full salary not to exceed three (3) days
18 if less than two hundred fifty (250) miles travel is required, or five (5) days if more than two hundred fifty
19 (250) miles or out-of-state travel is required, on account of the death of any family member of the
20 immediate family of the employee.

21

22 Members of the immediate family will mean:

23 Spouse, domestic partner who has been formally certified pursuant to the certification procedures required
24 by state law, children, parents, grandparents, sisters, brothers, parents-in-law, sons-in-law, daughters-in-
25 law, grandparents-in-law, sisters-in-law, brothers-in-law, aunts, uncles, nieces and nephews, foster
26 children, step-children, step-parents, adopted children, foster parents, legal guardians, grandchildren of the
27 employee or employee's spouse, or any other relative living in the immediate household of the employee
28 or any person serving in locus parentis. For purposes of the leave Chapter only, an individual who is named
29 on the emergency card or personnel action form of an employee will also qualify as a member of the
30 immediate family.

31

32 It will be the employee's responsibility to verify (i.e., original or copy of Memorial Program, Obituary or
33 Public Notice of Death) a bereavement leave upon return to work. Bereavement leave stands alone and will
34 not be deducted from other leave entitlements.

35

1 The Superintendent/President may grant additional days of absence with compensation in cases of
2 demonstrated need.

3

4 **E. Holidays**

5 This District recognizes seventeen (18) holidays as established by the Board of Trustees.

6

7 **F. Personal Necessity Leave**

8 A maximum of six (6) days of absence per fiscal year from sick leave may be used by an employee in a board
9 contract position, Educational Administrator, Classified Management and Classified Confidential Employee
10 at their election, in case of personal necessity, for any of the following reasons:

- 11 1. Death of a member of the employee's immediate family when additional leave is required beyond
12 that provided in the bereavement leave provision. Immediate family is defined in the bereavement
13 leave section.
- 14 2. Accident involving the employee's person or property, or the person or property of a member of
15 the employee's immediate family.
- 16 3. Appearance in any court or before any administrative tribunal as a litigant, party or witness under
17 subpoena or any order made with lawful jurisdiction.
- 18 4. Other reasons, solely with prior approval and within the discretion of the
19 Superintendent/President or designee.
- 20 5. Up to four (4) days may be utilized by the employee for personal business with twenty-four (24)
21 hours prior notification to the manager if circumstances permit.

22

23 When circumstances permit, employees covered under this Handbook are required to request personal
24 necessity leave from their immediate manager prior to the beginning of the workday in which the absence
25 is requested.

26

27 It will be the manager's responsibility to verify the nature of the absence, if applicable, immediately upon
28 return.

29

30 Personal necessity leave is charged against sick leave. Personal business leave is included in, and is not
31 separate from, personal necessity leave.

32

33 **G. Jury Duty**

34 The District agrees to grant an employee covered under this Handbook called for jury duty leave of absence
35 without loss of pay for the time the employee is required to perform jury duty during the employees

1 regularly assigned working hours. Any fees received from jury service rendered during any portion of the
2 employee's regularly assigned work hours will be turned over to the Payroll Department. Employees called
3 to jury duty service must submit proof of attendance as provided by the court in order to receive regular
4 full pay. An hourly employee must return to work if released from jury duty with at least four (4) hours
5 remaining in their scheduled workday.
6

7 **H. Military Leave**

8 Employees of the District will be granted military leave to which they are entitled to, under law.
9 Employees covered under this Handbook will be required to request military leaves in writing from their
10 managers and, upon request, to supply the District with orders and status reports.
11

12 **I. Birth and Adoption Leave**

13 An employee covered under this Handbook is entitled to up to ten (10) days paid leave each year (non-
14 accumulative) for the purpose of childcare after birth or adoption, processing an adoption, or for
15 pregnancy-related illness. Such leave may run concurrently with the California Family Rights Act (CFRA) or
16 the Family and Medical Leave Act (FMLA) as allowed by law.
17

18 **J. Leaves of Absence without Pay**

19 Leave of absence without pay may be granted to an employee covered under this Handbook upon written
20 request of the employee and the approval of the immediate manager, the President and the Board of
21 Trustees.
22

23 Leaves of absence without pay may be granted for a period not to exceed one (1) year. During periods of
24 absence without pay, benefits, vacation, sick leave, and seniority will not accrue.
25

26 Upon return from a leave of absence without pay, benefits, vacation, sick leave, and seniority will resume
27 based upon the employee's status prior to the leave of absence without pay.

28 Upon returning from a leave of absence without pay, the employee will assume the duties of their absented
29 position provided that during the period of absence there has been no change in the employee's capacity
30 to meet the requirements of the position. When the employee's position is no longer available, the
31 employee will be afforded whatever right the Education Code attaches to the circumstances causing the
32 non-availability of the position.
33
34

1 **K. Industrial Accident and Illness Leave**

2 All employees covered by this Handbook that sustain an injury or illness arising directly out of and in the
3 scope of their employment may be eligible for a maximum of sixty (60) workings days of paid industrial
4 accident and illness leave in any one fiscal year. This leave will not accumulate from year to year. Industrial
5 accident or illness leave will commence on the first day of absence. Payments for wages lost on any day will
6 not, when added to an award granted under workers' compensation laws of the state, exceed the
7 employee's normal wage for the day. Industrial accident and illness leave will be reduced by one day for
8 each day of authorized absence, regardless of a compensation award made under workers' compensation.
9 When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next
10 fiscal year, the employee will be entitled only that amount remaining at the end of the fiscal year, in which
11 the industrial injury or illness occurred, for the same illness or injury.

Placement at Class B, C, or D will be dependent upon the employee having met the prerequisites of Class B, C, or D.

Once placed at the appropriate class, employee movement from one class to a higher one (B to C or C to D) shall be accomplished in accordance with the provisions of Board Policy.

1 **C. Pay and Benefits**

2 Pay and benefits, such as longevity increments, health and welfare accruals, vacation accruals, sick leave
3 accruals and salary schedule advancement, will be based on the original date of hire (not including Board
4 Contract positions, see Board contracts).

5

6 **D. Assignment Changes**

7 From time to time, the District may find it necessary to add substantial new responsibilities to an existing
8 position on a temporary or permanent basis. The District and the management representatives may meet
9 and confer over the impact of these added duties, including but not limited to the length of the additional
10 responsibilities, effects on the employee's workload, and delegation of other responsibilities currently
11 carried out by the employee at the request of the District, management representatives or the employee.

CHAPTER XIII: DISCIPLINE AND DISCHARGE

A. General

Disciplinary actions, for the purposes of this Handbook, are defined as a written reprimand, suspension without pay (excluding unpaid leave of absence), reduction in pay not the result of layoff procedures. A release from probation is not considered a disciplinary action.

Board contract positions are not covered by the provisions of the Discipline and Discharge Chapter.

B. Basis for Disciplinary Action

An employee will be subject to disciplinary action based on just cause. Where appropriate, the District will adhere to the principles of progressive discipline. The concept of progressive discipline is to provide the employee with the opportunity and assistance to correct unsatisfactory job performance or behavior. In such a system, discipline proceeds through various levels leading to more and more severe action until the employee corrects the conduct or is terminated. The level at which discipline for a particular infraction is initiated depends upon the severity of the misconduct.

C. Administrative Leave

The District may place an employee on administrative leave to investigate acts or conduct.
