

ATI TEAS – Sierra College Nursing

Suggestions for ATI TEAS Preparation and/or Remediation

ATI (Assessment Technologies Inc.) is the company that, among other things, constructs and authors the Test of Essential Academic Skills (TEAS). The ATI TEAS measures and assesses a person's ability to be academically prepared to enter and succeed in nursing school. For more details about the ATI TEAS and a TEAS Review Guide: <https://www.registerednursing.org/teas/#introduction-teas-measure>.

After taking the exam each candidate receives an individual performance profile from Assessment Technologies Institute (ATI). Students should analyze their results and focus studies on all areas in which a score of less than 70 percentile was earned. ATI also provides a two-page document which outlines specifically where to find this content in their study guide. ATI also has additional study guides available for purchase. It is suggested if you are taking the TEAS more than once to allow 2-3 months for remediation before repeating the exam (some schools will only take the first attempt). The following are a list of online resources & support available at Sierra College to help students successfully prepare the ATI TEAS.

1. Student Success Resources & Workshops:

Sierra provides numerous support centers and labs for use by all students, including the Tutoring, Math, and Writing Center where you can receive help with your studies: <https://www.sierracollege.edu/academics/academic-support/>

Student Success Workshops are available through the Library & Learning Resource Center – Study skills, Sentence Style, Vocabulary, Overcoming Math Anxiety, Inferential Reading Elements, Insta-Grammer and many more – see link for current schedule: <https://www.sierracollege.edu/campus-life/things-to-do-on-campus/events/?trumbaEmbed=filterview%3Dworkshops>

2. TEAS Webinar from Abigail Genelsa Adjunct Assc. Professor Sierra College - Biological Sciences:
