Welcome

Welcome to Sierra College!

We know that paying for college is a big challenge. The important thing is to take advantage of all the resources that are available to you. The process begins with reading this handbook and determining the most effective way to pay for your education.

The Financial Aid Team is available to assist you in determining whether you meet criteria and qualifications for different types of federal and state aid. The Financial Aid Office can assist you with the application process and deadlines. Most processing is done at the Rocklin campus; however, for those attending the Nevada County Campus, you may work with our Financial Aid Office there.

Whether you are returning to college or just starting out, it is important that you make informed decisions about paying for school. If you have any questions, do not hesitate to contact or visit us.

We communicate to our students using the mySierra portal and generate emails using your Sierra College email account. Remember to check often for any updates to your financial aid file.

We are thrilled you chose Sierra College and look forward to helping you achieve your academic goals.

Sincerely,

Your Financial Aid Staff!

Important Websites

FAFSA: <https://studentaid.gov/h/apply-for-aid/fafsa>

Dream Act: <https://dream.csac.ca.gov/>

Webgrants (Cal Grant): www.csac.ca.gov/

2024-2025 Priority

These dates are subject to change—keep current by using the Sierra College website.

December 2023

FAFSA and CADAA applications open for 2024-2025 school year completion.

December 1, 2023

Scholarship application opens for 2024-2025 school year.

April 1, 2024

In district High School students who submit a “First-time college student” admissions application and FAFSA or CADAA by April 1, who enroll in at least 12 units are eligible for Two Years Free.

April 2, 2024

2024-2025 FAFSA/ CADAA priority filing deadline for Cal Grant, Fulltime Success Grant, and Completion Grant. Cal Grant GPA Verification form deadline.

- Can still complete FAFSA/CADAA after this date for various federal programs.
- Can be eligible for Federal Aid after this date.

September 2, 2024

Second 2024-2025 Cal Grant GPA Verification form deadline.

- Must have filed a 2024-2025 FAFSA/CADAA
- Can still be eligible for Federal aid after this date.

October 28, 2024

If you drop all of your Fall 2024 courses prior to this date you may have to pay back some of your federal financial aid. This is called the 60% period of the semester for Fall 2024.

December 14, 2024

Processing deadline to file 2024-2025 FAFSA/CADAA for Fall 2024.

April 7, 2025

If you drop all of your Spring 2025 courses prior to this date you may have to pay back some of your federal financial aid. This is called the 60% period of the semester for Spring 2025.

May 24, 2025

Processing deadline to file 2024-2025 FAFSA/CADAA for Spring 2025.

June 30, 2025

Processing deadline to file 2024-2025 FAFSA/CADAA for Summer 2025.

In all cases we cannot process financial aid after June 30th of any academic year or after the last day of attendance, whichever comes first.

Dates may change.

How Do I Obtain Financial Aid?

1 Fill out the FAFSA or the California Dream Act Application

You must complete the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA).

- Go online at <https://studentaid.gov/h/apply-for-aid/fafsa> for FAFSA or <https://dream.csac.ca.gov/> for CADAA.
- Use the appropriate FAFSA school code for all of the schools you are considering. Sierra College's school code is: 001290
- You can add up to 20 schools on your application. Always include at least one California school so that you can receive notifications from the state of any awards provided by the State of California. Choose Sierra College so we can help you with any of these questions.

2 Wait for Notification

You may contact your school two weeks from the time you submitted the FAFSA online or wait and you will be notified by the Federal Processor—generally within 5–10 days after you transmitted your application—whether you qualify to receive federal financial aid. You will also be notified by the schools you have listed. Submit any additional forms requested. Sierra College will notify you within your mySierra account, under the Financial Aid tab, view Financial Aid Requirements.

Financial Aid can include grants, Community College Promise Grant (formally known as the Board of Governors fee waiver), a work-study job, and student loans. Remember, grants are free gifts to you so long as you remain eligible (see Return to Title IV Repayment on Page 15).

3 Investigate Other Options

Don't wait until after you are notified of your financial aid award. You should also investigate scholarship opportunities and other sources of support.

Additional campus resources can include Special Programs and Scholarships. Please refer to page 12 for additional information on these programs.

Sierra College participates in a program for statewide consortiums through the California Virtual Campus program through the state of California. This allows you to take courses at other community colleges and if eligible for funding, receive funding at your home school. You must sign up through the state website at <https://cvc.edu> and we will be notified you have signed up for a course.

Eligibility Requirements for Federal Financial Aid

- Have a high school diploma or GED (or equivalency)
- Be enrolled in an eligible program leading to an associates degree, certificate, or transfer toward a university
- Be a U.S. citizen or eligible non-citizen
- Submit all required forms and documents requested by the Financial Aid Office
- Have financial need (except in the case of unsubsidized loans), as demonstrated by a complete FAFSA and Financial Aid Office review
- Do not owe a refund or repayment on a federal aid
- Do not be in default on a federal education loan
- Have a valid Social Security Number. If you are a dependent student, your parent is not required to have a valid Social Security Number

Eligible Non Citizens: U.S. Permanent Residents with a Permanent Resident Card (I-1551) or Conditional Permanent Residents (I-1551C) or those with an Arrival-Departure Record (I-94) showing the designations of Refugee, Asylum Granted, Parole, or Cuban-Haitian entrant; or those with an Immigration Court document approving asylum or documentation of entering the U.S. under provisions of the Victims of Trafficking and Violence Protection Act are eligible for federal financial aid.

California Dream Act: This program determines financial aid eligibility for undocumented students or those students who left CA by graduating from a CA high school and meet the requirements of AB540. Go to the State of California's Dream Act website at

<https://dream.csac.ca.gov/>

Special Circumstances

Are you a Dependent for the FAFSA?

In other words, will you be required to provide parental data on the FAFSA?

To determine the answer, ask yourself these questions:

1. Are you 24 years old or born before January 1, 2001?
2. At the beginning of the school year, will you be working on a master's or doctorate program?
3. As of today, are you married?
4. Do you have children who receive more than half of their support from you?
5. Do you have dependents (other than your children or spouse) who live with you and receive more than half of their support from you?
6. Are both of your parents deceased, or were you a ward/dependent of the court until the age of 18? ("Ward of the Court" means you were removed from your parent's custody for your protection.)
7. Are you a veteran of the U.S. Armed Forces?
8. Are you currently serving on active duty in the Armed Forces other than initial basic training?
9. Are you an emancipated minor as determined by a court in your state?
10. Were you in a legal guardianship as determined by a court in your state?
11. Did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
12. Did a director of an emergency shelter program determine that you were an unaccompanied youth who was homeless?
13. Did the director of a runaway or homeless youth basic center or transitional living program determine you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you answered "Yes" to any of the above questions, you will be considered Independent and will not be required to submit parent information. Sierra College will require that you provide proof of your Independent status.

In extreme cases of hardship, the Financial Aid Office may be able to use Professional Judgement to assist a student who is technically dependent, but who has unique and extenuating circumstances that prevent contact with parents. This may include abandonment, mental, or physical abuse. This will apply to situations where the student's physical or emotional welfare is jeopardized. In such cases, the student must complete and provide written documentation and third-party verification. Ask for a Dependency Override Request Form from the Financial Aid Office or download this form from our website. If you have not filed a FAFSA, you should do so before submitting the Dependency Override Request Form.

Special Conditions For Families

The FAFSA requires income information from two years prior to the application year.

What if a family's income changes because of a loss of employment, an accident, or an illness? There may be a loss of benefits such as child support or social security. There could be a death, a divorce, or a disability that changes the family's ability to pay for college.

If the family income changes for the coming year, you may request a "Family Contribution Appeal" in the Financial Aid Office after you file your FAFSA. The Financial Aid staff can use estimated income to determine eligibility for financial aid. Adjusted Gross Income can also be reduced because of unusual medical expenses, K-12 school tuition costs and the support of an extended family member that does not reside with the family, etc.

Financial Aid Determination Formula

$$\begin{array}{rcl} & \text{Student Budget} & \\ - & \text{Student Aid Index} & \\ & \text{(Determined by FAFSA)} & \\ - & \text{Resources} & \\ & \text{(CCPG, EOPS, Book Vouchers, etc.)} & \\ \hline = & \text{Need} & \end{array}$$

Cal Grants and other State Grants

Cal Grants are state-funded, need-based, cash grants given to California college students to help pay for college. California must have an approved budget prior to offering Cal Grants to our students and depending on budget shortfalls not all programs may be funded.

To be eligible, in addition to meeting federal aid requirements, a student must:

1. Be a California resident as defined by the California Student Aid Commission or have an approved AB 540 designation by Admissions and Records, and
2. Not have a bachelor's or professional degree, and
3. File a completed FAFSA/CADA and Cal Grant GPA Verification form by **April 2nd** (all students should try to meet the **April 2nd** deadline for the Entitlement and primary Competitive Grant consideration, but for California Community College there is a second Cal Grant filing deadline of **September 2nd**), and
4. Have remaining financial need.

Cal Grant A (\$4,000 - \$12,630 for tuition)

This grant is for students from low and middle-income families. The grant assists with the cost of tuition and fees at a four-year college or university. If you are awarded a Cal Grant A, but attend a Community College, your award will be placed on reserve for up to two years, until you transfer. The award is renewable for up to four years. **You the student must place this award in reserve or lose it.**

Cal Grant A Entitlement Award: Every graduating high school senior or recent high school graduate who has a G.P.A. of at least 3.0, meets the Cal Grant income/asset criteria and other eligibility requirements, and applies on time, is guaranteed this award.

Cal Grant A Competitive Award: Other students who meet the basic Cal Grant eligibility requirements and who have a G.P.A. of at least 3.0 may compete for this award. Selection is based on a composite score that takes into account a variety of factors such as family income, parents' educational level, etc.

Student Success Completion Grant

Students attending a California Community College may be eligible for this grant if they received a Cal Grant B or C Award and attending 12 or more units. The award is \$1298 per term if attending 12–14.99 units and \$4,000 per term if attending 15 or more units.

Cal Grant B (\$1,656 per year for expenses)

This grant is for students who are from disadvantaged or low-income families who otherwise would not be able to pursue higher education. This grant may be used at a community college or a university for up to four years. Students receive up to \$1,648 per year at the community college level. Once they transfer to a university the Cal Grant B award will be increased to help with tuition and fees. First-year recipients attending a four-year school will receive up to \$1,656 the first year, and then the Cal Grant B award will be increased if renewed after that first year.

Cal Grant B Entitlement Award: Every graduating high school senior or recent high school graduate who has a G.P.A. of at least 2.0, meets the Cal Grant eligibility requirements, and applies on time, is guaranteed this award.

Cal Grant B with Dependents Award: Students who self-certify through the California Student Aid Commission that they support legal dependents under the age of 18 and are awarded Cal Grant B at the community college they are attending, can qualify up to \$6000.

Cal Grant C (\$1,094 per year)

This grant helps vocationally oriented students—who do not plan to transfer—acquire marketable job skills. Training must lead to a recognized occupational goal: diploma, associate degree or certificate. Cal Grant financial need criteria must be met.

Cal Grant C with Dependents Award: Students who self-certify through the California Student Aid Commission that they support legal dependents under the age of 18 and are awarded Cal Grant B at the community college they are attending, can qualify up to \$4,000 for the award year.

California Community College Transfer Entitlement Award

This is either a Cal Grant A or Cal Grant B. High school seniors who graduated after June 30, 2000, attend a California community college and then transfer to a 4-year school may be eligible for this award. Eligible students must have at least a 2.4 grade point average and meet the Cal Grant financial eligibility requirements.

Cal Grant B and C awards are prorated depending on a student's enrollment status. For current information on Cal Grants, visit www.csac.ca.gov/

California College Promise Grant (CCPG)

(Formerly known as the Board of Governors Fee Waiver)

California Residents May Have Their Enrollment Fees Waived

California residents or students admitted under the rules of AB 540 who attend a California community college may be eligible to have their Enrollment Fees paid for by the State of California. There are three ways to qualify. Use the FAFSA or California Dream Application for Method A, B and C. For all methods, Sierra College requires proof of income. Please be prepared to provide a copy of your 2022 IRS tax transcript if for some reason tax information did not transfer in on your FASFA/CADAA from The IRS.

Method A

For families who are receiving TANF/CalWorks, SSI/SSP or General Assistance. Current verification is required. The following special classifications are also eligible for the CCPG: some dependents of Veterans or National Guard; recipient or the child of a recipient of the Congressional Medal of Honor; or a dependent of a victim of the September 11, 2001, terrorist attack; or a dependent of a deceased law enforcement officer; or a dependent of personnel killed in the line of duty. Submit all documentation with your application.

Method B

For independent students and families who meet the income criteria. Dependent students must use the parent's income (do not include the student's income). Income includes adjusted gross income, wages or unemployment benefits not reported on a tax return, all untaxed income, and cash received or any money paid on your behalf.

Method C

Complete the FAFSA application. The Financial Aid Office will determine unmet need after a Student Aid Index (SAI) has been established. A CCPG will be issued to anyone with at least \$2,001 of unmet need (Student Budget minus the SAI equals the amount of unmet need).

CCPG A, B, and C will waive 50% of parking fees.

Summer parking is not waived by the CCPG. CCPG A waives the health fee and Student Center Fee.

Are you or your parent in a Registered Domestic Partnership as defined under Section 297 of the Family Code?

If yes, you are required to include the domestic partner's income and household information on the CCPG application. These provisions apply to state and federal funded student aid.

Two Years Free Tuition Waiver

(Also known as the California State Promise Grant)

What is Two Years Free?

Two Years Free is Sierra College's nickname for the CA State Promise Grant which covers the cost of tuition for eligible students. You may also hear it referred to as California Promise or AB-19 (Assembly Bill 19) and AB-2 (Assembly Bill 2).

What does Two Years Free cover?

Your tuition (the cost of your class units); \$46 per unit.

What does Two Years Free not cover?

- Health Center fee
- Student Center fee
- Books
- Transportation
- Living expenses

Eligibility Requirements

Tier 1: In-district* students who:

- Submit either the FAFSA/CADAA **and** a "First-time college student" admissions application **by April 1**

Tier 2: In-district* students who:

- Submit either the FAFSA/CADAA **and** the "First-time college student" admissions application **between April 1 – June 1**

Tier 3: In-district* students who:

- Submit either the FAFSA/CADAA **and** the "First-time college student" admissions application **between June 2 – August 1**

Stay up to date on this program at

<https://www.sierracollege.edu/admissions/paying-for-college/two-years-free/>

** The Sierra College district includes all of Placer and Nevada Counties. Sacramento County schools include Antelope High School and Center High School. El Dorado County schools include Divide Continuation High School and Golden Sierra High School.*

Federal Grants, Federal Work-Study

When the FAFSA process is complete, students will be notified via their mySierra account.

Federal Pell Grant: The Pell Grant program is the largest grant program in the country. It is the foundation for an award package. Pell Grants provide financial assistance to eligible part-time and full-time students, and are calculated based on a student’s enrollment and Student Aid Index (SAI).

2024–2025 awards can range from an estimated \$296 to \$7,395 (this amount is subject to change before the year begins)

Since the Pell Grant program is an entitlement program, funds are always available to qualifying students. There is no minimum unit requirement for the Pell Grant program, so an eligible student may be enrolled in as little as one-half unit providing that your SAI is low enough. Students who have earned a baccalaureate or professional degree are ineligible even if the degree is from an unaccredited school or from a foreign school.

Note: The maximum award amount is given for any Pell Grant eligible student whose parent or guardian died as a result of military service in Iraq or Afghanistan after September 11, 2001. You must be under 24 years old or enrolled at least part- time in college at the time of your parent’s or guardian’s death.

Lifetime Pell Grant Limits

Students may be awarded 12 semesters of full-time attendance in their lifetime. Generally, this means that a student can receive a Pell Grant for 6 years at fulltime attendance. The award will be prorated for anything less than fulltime. For example—a student who attends a semester as a half-time student is counted as having used only half of a semester for purposes of tracking the Pell Grant funds. Check your lifetime eligibility by logging on to <https://studentaid.gov/> using your FAFSA ID. View your Lifetime Eligibility Units (LEU) on the Financial Aid Review page.

Federal Supplemental Educational Opportunity Grant (FSEOG): The Federal Supplemental Educational Opportunity Grant is a limited grant fund for Pell-eligible students with the lowest Student Aid Index (SAI), who meet the priority filing deadlines and are enrolled at least 6 units. Funds will be awarded beginning with early FAFSA filers,

Examples	
12+ Credit Hours or Full Time	100% of Award
10 Credit Hours	83% of Award
6 Credit Hours	50% of Award
4 Credit Hours	33% of Award

Federal Work-Study (FWS): Federal Work-Study is a program that provides jobs for students who demonstrate financial need and are enrolled at least 6 units and have a Semester and CUM GPA of 2.0. Eligible students seek positions on or off campus. Sierra College has chosen to only employ off campus positions with non-profit organizations. Using FWS funds, Sierra College participates in the America Reads Challenge—change a young student’s life and tutor a child who is attending elementary school. Students who are eligible to participate in this program and not yet working in this program may be eligible for CalFRESH (food stamps) benefits. Take your award letter to your local Health and Human Services office to see if you qualify.

Federal Direct Subsidized Student Loans: The Federal Direct Subsidized Student Loan is a need-based student loan program designed to assist students with educational expenses while attending in at least 6 units in an eligible program of study. This student loan is insured by the federal government. The subsidized student loan is based on unmet need after being awarded grants and scholarships. The interest is subsidized by the federal government as long as the student is enrolled at 6 units.

Federal Direct Unsubsidized Loans: Eligibility for subsidized student loans will be reviewed first. The unsubsidized student loan can be need based or non-need based. The interest on this loan begins to accrue when it is funded. Students have the option of making interest payments or deferring the interest.

Sierra College is a low-cost community college that grants certificates, two-year associate degrees, and prepares students for transfer to four-year universities for a bachelor's degree. If after we review a student's record on the National Student Loan Data System (NSLDS) and determined they have borrowed up to \$22,000, their loans will be delayed until they complete the online or web-based module called Budget Basic hosted by ECMC

At <https://www.ecmclearning.org/sierracollege>. As part of our default management, you may still receive the loan if you submit the following:

- A current and comprehensive Student Education Plan (see an academic counselor) listing all of the courses required to obtain your educational goal at Sierra College.
- A letter written by you with the following support statements and/or documents attached:
 - Your educational goal (Associate, Baccalaureate, Certificate, Job Skills, or Personal Growth)
 - Your major/program of study
 - Total units remaining to achieve your goal
 - Your anticipated completion date at Sierra College
 - Complete the Budget Base with ECMC
 - How you will keep from defaulting on your current loans
 - How you will manage your monthly loan payments

Students who default on their student loans affect Sierra College's ability to participate in the financial aid programs once the institution's default rate reaches certain levels.

Direct Parent PLUS Loan: The federally sponsored Parent PLUS loan is a low interest student loan for parents of undergraduate, dependent students. With a Direct Parent PLUS loan, families can fund the entire cost of a child's education (less other financial aid). You must be a U.S. citizen or national, a U.S. permanent resident, or eligible non-citizen. You must complete a FAFSA to qualify. This loan is based on your parents' credit.

Private loans: Sierra College does not participate in private loans.

Note: These annual loan limit amounts are the maximum yearly amounts you can borrow in both subsidized and unsubsidized loans. You can have one type of loan or a combination of both. Because you can't borrow more than your cost of attendance minus any other financial aid you'll get, you may receive less than the annual maximum amounts. Also, the annual loan limits assume that your program of study is at least a full academic year.

Maximum loan eligibility amounts are prorated to ½ of the annual limit if attending for one semester only.

The maximum annual and total loan limits include any Direct Loans you may have received under the FFEL Program. Sierra College is prohibited from processing anything beyond a second-year loan limit.

Annual Loan Limits

	Dependent Undergraduate Student (except students whose parents are unable to obtain PLUS Loans)	Independent Undergraduate Student (and dependent students whose parents are unable to obtain PLUS Loans)	Graduate and Professional Degree Student
First Year	\$5,500 —No more than \$3,500 of this amount may be in subsidized loans.	\$9,500 —No more than \$3,500 of this amount may be in subsidized loans.	\$20,500 —No more than \$8,500 of this amount may be in subsidized loans.
Second Year	\$6,500 —No more than \$4,500 of this amount may be in subsidized loans.	\$10,500 —No more than \$4,500 of this amount may be in subsidized loans.	
Third and Beyond (each year)	\$7,500 —No more than \$5,500 of this amount may be in subsidized loans.	\$12,500 —No more than \$5,500 of this amount may be in subsidized loans.	
Maximum Total Debt from Stafford Loans when you graduate (aggregate loan limits)	\$31,000 —No more than \$23,000 of this amount may be in subsidized loans.	\$57,500 —No more than \$23,000 of this amount may be in subsidized loans.	\$138,500 —No more than \$65,500 of this amount may be in subsidized loans. The graduate debt limit includes Stafford Loans received from undergraduate studies.

Award Information

How Awards Are Determined: After you have filed your FAFSA and submitted requested documents, you will be able to view your award information on mySierra. Your eligibility is determined using the federal needs analysis calculation known as Congressional Methodology.

Student Aid Index: You and your family may be expected to contribute toward your education from your own resources such as employment and assets. This amount is called your Student Aid Index (SAI).

Financial Need: This amount is determined by subtracting your SAI from your Budget. We will offer financial aid awards to meet your financial need based on program requirements and available funds. We do not automatically award student loans. Students who want loans must complete a Loan Request form located online.

Note: *Students with unusual circumstances that may affect eligibility for financial aid, such as changes in income or employment, or unusual medical expenses, should contact the Financial Aid Office.*

Financial Aid: All financial aid is refunded through the business office. Your funds will first reduce any debt you owe Sierra College and then a refund will be produced either by direct deposit or a BankMobile Vibe account. All refund information is mailed to the mailing address on file with Admission and Records. It is important to always have a current address in BankMobile and with the school.

All financial aid funds will be disbursed to individual student accounts about one week following the add/drop period. Students who add courses after the add/drop period will not be eligible for any additional federal aid. As students become eligible for aid, Sierra College will process weekly or biweekly based on the date. The business office will transmit the refunds to BankMobile by Friday of each week.

Cal Grant B and C: Funds are disbursed once each semester after Sierra College receives funds from the California Student Aid Commission and when California has an approved budget

Federal Work-Study (FWS): FWS eligibility is determined from your completed FAFSA. If you wish to be considered for a FWS position, please come to the Financial Aid Office. Funds are usually exhausted by the first day of Fall. FWS checks are mailed or direct deposited twice a month.

Classes Added after Add/Drop or Census date of the Semester: You will receive payment for classes that you are currently attending and for any late-starting classes (e.g. Fast-Track). By regulation, the Financial Aid office will not be allowed to produce additional Pell Grant awards for students who add a course after the add/drop or majority census period, whichever is later, of each semester.

Registration/Enrollment: Your financial aid award is based on the number of units you are registered in at Sierra College. You must be enrolled at 6 units and attending classes for most awards, including FWS and Loans. Changes in your enrollment after you receive payment will affect your Satisfactory Academic Progress and may result in termination and/or repayment of your aid. You cannot receive financial aid at more than one college each semester. Financial Aid will pay for only two course repeats with a passing grade. This is federal regulations.

Summer: If you do not use all your Pell Grant eligibility during the fall or spring terms, we will award any remaining funds to you for summer.

Federal Direct Loans: Sierra College does not automatically award student loans, as we do not encourage borrowing. Contact the Financial Aid Office for the loan application process, forms, and deadlines or visit our website. Students wanting loans must attend or complete an online Financial Literacy Workshop in addition to the mandatory federal online Entrance Loan Counseling Workshop to understand the loan process and responsibilities. Student loan borrowers must also attend a mandatory Exit Loan Workshop before they leave Sierra College.

Student Budgets

The following are estimated costs to attend Sierra College over a 9-month period based upon your living status —

California Residents

Residence
Halls Off
Campus

Fees	\$1,446	\$1,446
Books/Supplies	\$2,120	\$2,120
Housing	\$8,000	\$23,573
Food	\$7,354	\$7,354
Transportation	\$3,610	\$3,610
Misc./Personal	\$3,214	\$4,968
Total	\$25,744	\$43,071

Non-Residents

Residence
Halls Off
Campus

Fees	\$1,446	\$1,446
Non-Resident Fees	\$10,620	\$10,620
Books/Supplies	\$2,120	\$2,120
Housing	\$8,000	\$23,573
Food	\$7,354	\$7,354
Transportation	\$3,610	\$3,610
Misc./Personal	\$3,214	\$4,968
Total	\$36,364	\$53,691

Finding Your Path

Thinking About Transferring to a 4-Year School?

Take advantage of a program that will guarantee admission to the California State University system that will streamline your guaranteed admission. The Associate Degree for Transfer (AA-T or AS-T) is a special degree that is part of a program from the California Community Colleges and the California State University that makes it easier for a student to transfer from one system to the other. Visit the following website for additional information:

ADegreeWithAGuarantee.com

If you plan well, you can complete an AA or AS degree AND transfer at the same time. Indeed, both the UC and CSU systems give their highest admission priority to California community college transfer students.

Meet with a counselor early and often to make sure you are taking the right courses and are on the right track to transfer on time.

Visit the ASSIST website at www.assist.org. Assist has articulation information, and an “EXPLORE MAJORS” option to view schools offering your major and major course requirements.

The federal government now offers SMART Grants to Pell-eligible U.S. Citizens in the junior or senior year of college who major in engineering, mathematics, science, or certain foreign languages.

California State University

- 23 Campuses
- CSU's are among the largest, most diverse, and one of the most affordable university systems in the country
- Practical focus, emphasizing teacher and workforce preparation
- Undergraduate and graduate instruction is offered in the liberal arts and sciences, the applied fields, and the professions.

Getting to know the CSU

General information and links to CSU campuses and programs: www.calstate.edu

CSU Application Site

Includes “campus match”, academic transfer planner and application filing periods: www.csumentor.edu

University of California

- 10 Campuses
- More than 200,000 students in the system, over 1.4 million alumni.
- World-class educational and research opportunities.

UC System

Scholarship Resources

Robert C. Byrd Honors Scholarship:

This scholarship is awarded to high school students who have achieved academic excellence. The awards are renewable for up to four years at \$1,500 per year and can be used at any college in the United States. The program is federally funded.

National Merit Scholarship:

Roughly 5,000 National Merit Scholarships are awarded each year to high school students for academic and extracurricular achievements. Awards are based on the PSAT/NMSQT test in the fall of your junior year in high school. To learn more, go to

www.nationalmerit.org

Hispanic Scholarship Fund:

HSF scholarships are for students enrolled—or intending to enroll—full-time in a degree-seeking program at a U.S. accredited Title-IV eligible institution. Successful candidates are selected on the basis of academic achievement, personal strengths, leadership, and financial need. For more information, visit **www.hsf.net**

Please review our webpage for additional scholarships:

www.sierracollege.edu/admissions/paying-for-college/financial-aid/

The additional scholarship resources listed on this page are not directly endorsed by the College.

Sierra College offers numerous scholarships each year to eligible students. Sierra College, The College Foundation, private donors, and public organizations sponsor these scholarships. Scholarship amounts range from \$50–\$3,000 each. The Sierra College Scholarship application is available online starting each December 1st. You must be an admitted student to apply using your student ID and logging into your mySierra at www.sierracollege.edu

Scholarship Tips

Since many scholarship applications require you to write an essay, you might find it helpful at the start of your scholarship search to write a general essay about yourself, your accomplishments, what is important to you in life, as well as your goals and interests.

Once you have a general essay written about yourself, you will have a great starting point from which to modify and/or expand it for specific scholarship essays.

- Some paper scholarship applications are available in the financial aid office, but **most are online**.

Be aware of scholarship scams that ask you to pay for financial aid and scholarship information. Financial aid information is free. Before you pay for information, contact the college Financial Aid Office or go to the Federal Trade Commissions website, Scholarship Scams at <https://consumer.ftc.gov/articles/how-avoid-scholarship-financial-aid-scams>

Additional Resources

Sierra Promise: Promise is a partnership and a commitment to provide pathways to economic opportunity through improved college readiness, access to education and training, and great guidance and support. This program is designed for those students coming right out of high school from one of our partner high schools. Students must be enrolled in 15 units and may participate in scholarship opportunities and priority registration. Visit our website to learn more.

Dual Enrollment: Earn College credit while in high school. Get to the finish line faster! We call it dual enrollment. This lets student earn college credits from specific high school classes. Best of all, they are free. Visit our website at www.sierracollege.edu/admissions/college-in-hs.php

EOPS - Extended Opportunity Programs and Services: The EOPS Program at Sierra College provides low income and educationally disadvantaged students with support services that includes specialized counseling, financial aid, priority 1 registration, tutoring, assistance with purchasing books, and more. As a college success program, EOPS is designed to provide opportunities for students with academic potential, who historically would not have been able to attend college.

CARE—Cooperative Agencies Resources for Education- Program for Single Parents: The Cooperative Agencies Resources for Education (CARE) program provides educational support services for the academically under prepared, single parent population who are receiving benefits through CalWORKS/TANF and are EOPS eligible.

CalWORKs: CalWORKs (California Work Opportunities and Responsibility to Kids) is a state funded Welfare-to-Work Program designed to help individuals on public assistance become self-sufficient. The program includes education, training and support services, as well as employment opportunities related to the individual goal of each participant.

Guardian Scholars: Former Foster Youth: The Guardian Scholars Program provides services to current or former foster youth (FFY) attending Sierra College. Our goal is to equip and empower them to not just do well academically, but also navigate the many life and financial challenges that are barriers to their success.

Students with Disabilities Thrive at Sierra: If you have a disability, and IEP, or a 504 Plan, SAS offers a wide variety of services to support your needs and enhance your educational experience at Sierra College. From priority registration and vocational counseling to student education plans and evaluating learning disabilities, SAS has everything you'll need!

Law Enforcement Personnel Dependents Grant: This grant is available to dependents of California law enforcement officers who were killed or totally disabled in the line of duty. These need-based grants range from \$100 to \$11,259 a year for up to four years, and may be used to attend any California college. For more information go to www.csac.ca.gov

AmeriCorps: By becoming a volunteer with AmeriCorps, you can receive an education award each year for up to two years. This program provides full-time educational awards in return for work in community service.

Chafee Grant for Foster Youth:

The California Chafee Grant Program provides up to \$5,000 annually to foster youth and former foster youth to use for college expenses. To qualify, a student must have been in foster care between their 16th and 18th birthday and not have reached their 22nd birthday by July 1, 2024 (students could have been foster youth in another state and now live in California). This is a need based grant awarded to students in at least 6 units. Applications are available online at www.csac.ca.gov/foster-youth-students

or call 1-888-224-7268. Often times these awards do not arrive to campus until after the start of the term.

Child Development Grant Program:

The Child Development Grant Program provides up to \$1,000 per academic year for community college students and \$2,000 per academic year for four-year college students. To be eligible for the grant, students must be enrolled in approved coursework leading to a Permit issued by the Commission on Teacher Credentialing as a Teacher, Master Teacher, Site Supervisor, or Program Director. Eligible students must also meet the applicant eligibility requirements defined by the California Student Aid Commission. To learn more, visit CSAC at www.csac.ca.gov/node/1504

Students can register online to submit a voucher payment request form. For more information, call 1-800-942-2677 or go to www.americorps.org

U.S. Department of Veteran's Affairs: If you are a veteran or you are the dependent of a veteran, Veteran's Educational Benefits may be available to you. Inquire on campus for more details. For more information, call 1-888-442-4551 or go to www.gibill.va.gov

TRIO: For first generation students (those who do not have a parent who has earned a college degree). TRIO Support may include:

- Free special events on and off-campus, field trips to 4-year universities
- Connection with other students who want to be successful in college
- Specialized counseling and guidance from a faculty mentor
- Free additional tutoring and help learning effective study skills
- Assistance in learning how to maximize your finances so that you can achieve your educational goal

U.S. Coast Guard: The Coast Guard, part of the Department of Homeland Security, can be reached at (877) NOWUSCG.

Support for Native Americans: Members or close descendants of a federally recognized American Indian tribe or Nation may be eligible for grants to help pay for college. To learn more, contact the Office of Indian Education Programs at (916) 978-6058 or go to www2.ed.gov/about/offices/list/oese/oie/programs.html (A FAFSA application is required).

IRS Tax Benefits: The Lifetime Learning Credit helps parents and students pay for a college education. A credit of up to \$2,000 per year can be taken for qualified education expenses paid for all students enrolled in eligible educational institutions. For more information, visit www.finaid.org 12

Satisfactory Academic Progress

Federal regulations require that all financial aid recipients make Satisfactory Academic Progress and remain in good satisfactory standing. At Sierra College, academic progress is reviewed each semester.

At Sierra College, Satisfactory Academic Progress is defined by the following three criteria:

1. Meeting a minimum term and cumulative grade point average requirement (GPA).
2. Earning a minimum number of units for credit per semester (Pace of Progression).
3. Completing the degree objective within a maximum number of semesters enrolled and a maximum number of units attempted (Maximum Time-Frame Allowance).

Students who do not meet one or more of the above criteria will be considered SAP ineligible for financial aid or will be placed in a financial aid SAP Warning Period.

Students who were placed in a termination status from financial aid must attend a financial literacy on-line workshop along with any needed appeal documents.

Determining Enrollment Status

Prior to each disbursement, the Financial Aid Office will verify the number of units a student is enrolled in. For Fall 2024, you must be in all units by September 2, 2024. For Spring 2025, you must be in all units by February 9, 2025. For purposes of the federal satisfactory academic progress, units attempted mean the number of units the student is enrolled in at the time of payment for the semester.

In determining whether a student is making satisfactory academic progress, the student's enrollment status is defined as the number of units the student was enrolled in at the time of the final disbursement for the semester.

To be considered fulltime academically fall, spring and summer, a student must be enrolled in 12 or more units. This is no longer considered for Pell Grant disbursements.

- If the student is enrolled in 12 or more units for the semester, the student is full-time.
- If the student is enrolled in 9 to 11.5 units for the semester, the student is 3/4 time.
- If the student is enrolled in 6 to 8.5 units for the semester, the student is 1/2 time.
- If the student is enrolled in .5 to 5.5 units for the semester, the student is considered less than half-time.
- Completed units means that credit was received for the units enrolled. Classes in which a student receives a grade of "F", "I", "NP", "IP", "MW", or "W" will not be counted as completed classes for satisfactory academic progress, but will be counted as units attempted.

To be considered making satisfactory progress toward the educational goal, students must complete the minimum number of units required for their enrollment status. Students must complete 67% of all enrolled courses with a 2.0 GPA or higher.

In the determination of enrollment status, it is permissible for a student to count units being taken concurrently at another college.

A consortium agreement must be made between the two schools with one school designated as the primary school (from which the student receives financial aid) and the other school as the secondary school. Sierra College would enter into such an agreement if the other school is the primary school. On rare occasions Sierra College will participate in a consortium agreement only as the primary school.

Because units taken at a proprietary school generally will not transfer, Sierra College will not enter into a consortium agreement with proprietary schools.

Pace of Progression Requirement

You must complete a minimum number of units each semester (Pace) to ensure completion of the degree within the maximum time frame. To calculate the Pace of Progression, divide the cumulative number of units you have successfully completed by the cumulative number of units you have attempted.

$$\text{Pace of Progression} = \frac{\text{Cumulative and Term Units Completed}}{\text{Cumulative and Term Units Attempted}}$$

You are required to successfully complete a minimum of 67 percent of all attempted units to remain eligible for federal, state and institutional financial aid. Transfer units are not counted in Pace of Progression but are counted in attempted units.

When students attempt too many units and either withdraw or receive numerous failing grades, they run the risk of not meeting the federally required 67% towards their graduation goal. This is referred to as Pace of Progression towards graduation. When it is determined that it is mathematically impossible to meet the 67%, students are suspended from aid and will not be able to appeal for reinstatement at Sierra College.

Maximum Unit Limitation

Federal regulations allow students to receive aid for 150% of the published length of an undergraduate program. Sierra College publishes in its catalog that students can earn an AA Degree by completing 60 credits. Students at Sierra College, therefore, may receive aid for a maximum of 90 credit hours (60 credit hours X 150%=90 credit hours). Once a student has attempted 90 credit hours at Sierra College (including accepted transfer credits), she/he is no longer eligible to receive financial aid. Up to 30 units of remedial coursework (to include ESL courses) will be deducted.

Once a student receives an approved Maximum Unit Appeal, they may not change their degree program and continue to receive financial aid. The Financial Aid Office will always use the declared major by the student in Banner. While on an approved Maximum Unit Appeal, students who are paid financial aid for a course and then drop the course will not be paid again for the same course.

Repeated Course Work

Credits for repeated courses count only once as credits earned and only once in a student's GPA; however, these credits are counted as attempted credits for each repeated course and also counts towards maximum time length limitations (90 units). The most recent grade for any repeated course is used in calculating GPA. Refer to the Sierra College Catalog for policy on course repetition.

Remedial (Including ESL) Course Work

Sierra College remedial courses are considered the same as credit courses for tuition, for full-time academic standing and for SAP. Credits for remedial course work are included in the calculation of the 67%-completion requirement.

Transfer Units

It is the student's responsibility to request transcripts from previously attended institutions. Transcripts from colleges accredited by one of the regional accrediting associations will be evaluated for use toward the student's current educational objective. All units applicable toward the current educational objective will be counted when calculating the maximum time frame for financial aid. By federal regulation, all units attempted, although earned before the student was receiving financial aid, will be considered toward the maximum time frame.

Definitions

Good: A student is considered in good standing if they complete at least 67% of all units enrolled and earned a 2.0 GPA for the semester.

Warning: A student will be put into warning status if they fall below the 67% completion rate for the semester, or if their semester GPA was less than a 2.0. A student will be removed from warning at the end of the next semester if they complete at least 67% of their units with a 2.0 GPA.

Termination: A student is terminated if they complete zero units or if they were on warning from a previous semester and then completed less than 67% of the courses for which aid was provided or their cumulative GPA was less than 2.0.

Probation: A student is placed on probation if they receive an approved Reinstatement Petition or Maximum Unit Appeal. A student may continue on probation if their CUM GPA is below a 2.0 but their term GPA is above a 2.0. This is considered making progress term-by-term. A student may be removed from Reinstatement Probation if they complete at least 67% of their units and achieve a cumulative GPA of 2.0.

Reinstatement: A student may be considered for future aid once they raise their CUM GPA above a 2.0 and/or raise their PACE to 67%. Students must resubmit their request for a determination.

Note: Students who are dismissed from the College are not able to receive financial aid. Refer to the Probation, Dismissal & Readmission section of your catalog.

Note: Pell Grants have a lifetime maximum of 12 semesters at fulltime attendance. Anything less than full-time and your Pell Grant will be prorated.

Financial Aid Termination

Students who have exceeded their maximum time frame (90 attempted units for a degree), have not completed the required number of units, or have a cumulative grade point average less than 2.0, will be terminated from financial aid. Students who have been terminated because of insufficient units completed or a grade point average deficiency will not receive further financial aid until they have filed and received an approved Reinstatement Petition.

Appeal Procedures

Any student who has been terminated from financial aid may submit a written appeal to the Financial Aid Advisory Committee (FAAC). Each appeal will be reviewed and approved or denied based on the student's individual circumstances, and his or her proposed course of action. The decision can take as long as 6 weeks before a student would receive notification. If the written appeal is denied, the student may appeal that decision in writing to the Financial Aid Advisory Committee. This decision of the Financial Aid Advisory Committee is final. If approved for additional financial aid, the student will be provided aid only for those courses reflected on their Comprehensive Student Education Plan.

A student who has reached the maximum time frame for their educational goal may submit a written Maximum Unit Appeal to the Financial Aid Advisory Committee. If approved for additional financial aid, the student will be provided aid only for those courses reflected on their Comprehensive Student Education Plan. If the Student is dissatisfied with the decision of the Committee, he or she may make a written appeal to the Financial Aid Advisory Committee.

Denied Appeals

If denied, the student may attend Sierra College, without financial aid, and re-appeal when all components of SAP are being met. You must be passing at least 67% of your course work and have a CUM GPA above a 2.0.

Notes

The Financial Aid Office will always monitor the declared major within the student system (Banner). If you ask that an SEP be Created that is different than your declared Major, you will be asked to update that major using mySierra. You will not receive an SEP for a major that has not been officially declared. Your request for reinstatement or appeals will be denied. Students who are on a Maximum Unit Appeal may not change their major.

Once a student has reached their goal using the SEP provided for their declared major, they will not be eligible for future financial aid. Students may only receive two approved Reinstatement Petitions while at Sierra College.

Students who are accepted and attending the Nursing program will not need to submit a Maximum Unit Appeal. It will be granted automatically until the student either graduates from the Nursing Program or is no longer accepted in the program.

Return to Title IV (Financial Aid) Repayment

If you receive federal financial aid (Title IV funds) and withdraw from all your classes before you have completed over 60% of the semester, you may owe money back to the federal financial aid program. If you owe a repayment and fail to repay, you will be ineligible to receive future financial aid at any college.

The Financial Aid Office will calculate the amount you are required to return to the federal aid programs. Federal grants include the federal Pell Grant and SEOG. If you received federal loan funds and withdraw, you will repay your loan according to the normal rules of the loan program. If you received Federal Work study funds, you would not need to repay funds.

If you plan to withdraw. It is recommended you see a counselor and discuss your reasons for wanting to do so. You may be able to stay enrolled in one course. There may be services like tutoring or counseling that will help you stay enrolled. Discuss options with your instructors. And as always, the Financial Aid staff is here to assist you.

For more information on Satisfactory Academic Progress (SAP), a video workshop can be viewed online. Go to www.ecmclearning.org/sierracollege

Financial Aid Terms

Award Notification: Notification will be sent via your mySierra to financial aid applicants of the types and amounts of aid offered, as well as the responsibilities and conditions of each award.

California Aid Report (CAR): Correspondence you receive from the California Student Aid Commission regarding your Cal Grant eligibility after you the FAFSA and GPA Verification form.

California Dream Act (CADA): The CA Dream Act is a financial aid application that allows Dreamers to potentially qualify for state aid. This application is free to do.

Default: Failure to make loan payments or otherwise honor the terms of a loan; reported to credit bureaus and can influence future credit and ability to receive financial aid.

Disbursement: The Financial Aid Office will authorize funds to individual student accounts. It will take 4 days for the Bursars office to create refunds.

Student Aid Index (SAI): The amount that you and your family are expected to contribute toward your education, assessed from resources such as employment and assets.

Financial Need: This amount is determined by subtracting your SAI and other financial resources from your cost of attendance. Financial aid awards are offered to meet your financial need based on program requirements and available funds.

Federal Processor: The federal government's computer system also referred to as the "central processor", which analyzes the information on your FAFSA, calculates your SAI, and sends you a FAFSA Submission Summary (FSS).

Free Application for Federal Student Aid (FAFSA): The FAFSA is the official financial aid application used to determine federal and state aid. There is no charge to have your FAFSA processed.

Grant: A grant is a form of financial aid that does not have to be paid back. It is a gift as long as you complete your classes satisfactorily.

Loan: A loan is a form of financial aid that must be re-paid with interest over a period of years.

Methods for Refunds: You must elect a refund method. You can choose to receive a refund by direct deposit, either to your personal account or Vibe account. Direct deposit is the safest way to receive your refunds. Log onto <https://disbursements.bmtx.com/refundchoices/>

Refunds (Disbursements): Proceeds left over after your financial aid funds were disbursed to your student account. Your aid will satisfy any debt you owe the College and then a refund is generated to you by your refunding method of your choice. Refunds are generated by Friday of each week.

Renewal FAFSA: This application simplifies the process of reapplying for financial aid. Some information from the previous application is transferred to the Renewal FAFSA making the application process faster. Students must re-apply every year.

Return of Title IV Funds: Most schools advance federal financial aid before a student actually earns it. If a student receives federal student aid funds, including grants, and withdraws from all classes before 60% of the enrollment period has passed, the student could owe money back to the federal government or the college. Contact the Financial Aid Office before withdrawing from classes.

Satisfactory Academic Progress (SAP): To be eligible to receive federal and state financial aid, a student must be progressing satisfactorily toward completion of an approved educational program. All attempted and passed units are used in this calculation.

FAFSA Submission Summary (FSS) The report summarizing the information you provided on your FAFSA. The Financial Aid Office will receive this same information electronically and begin the process to determine your eligibility.

Untaxed Income: All income received that is not taxed or may not be reported to the IRS, including clergy and military allowances, Disability benefits, tax sheltered income reported on W-2 forms, child support payments, any cash income not reported to the IRS, bills and support paid on your behalf, or any other income received not reported on your tax form.

Verification: A federal process in which the college checks the accuracy of the information you submitted on the FAFSA. Documents will be requested such as IRS tax transcripts. Quick response to any request for documentation will help expedite the process.

Veteran: For the FAFSA, a person who has engaged in active duty, or a National Guard or Reserves enlistee who was called to active duty for purposes other than training, or was a cadet or midshipman at one of the service academies, and who was released under a condition other than dishonorable.

Rights & Responsibilities

As a student you have the right to know:

- The types of financial aid programs available at Sierra College, including information on all federal, state and institutional financial aid programs
- The deadlines for submitting applications and forms
- The cost of attending Sierra College for determination of financial aid eligibility
- The method by which Sierra College calculates your financial need
- The family resources (such as parental contribution if dependent, student contribution, other financial aid resources, etc.) are considered in your financial need calculation
- The amount of your financial need, as determined by Sierra College, has been met
- The various types of aid in your award package. If dissatisfied with your award, you may request a review by contacting the Financial Aid Office.
- The portion of your financial aid offer that must be repaid and what portion is grant aid
- If the aid is a loan, the interest rate, the total amount that must be repaid, the repayment procedures, the length of time allotted to repay the loan, and when the repayment begins
- All confidentiality laws. Student financial aid records are confidential and will only be released to third parties, including parents, after you have provided your written authorization

As a student you have the responsibility to:

- Be kind and courteous while working with the financial aid office
- Review and consider all information about Sierra College before you enroll
- Complete all financial aid application forms accurately and submit them on time and online through your Sierra College portal
- Report data accurately. Errors can result in long delays in the receipt of financial aid. Intentional reporting of incorrect information on financial aid application forms is a violation of the law and considered a criminal offense subject to penalties under the U.S. Criminal Code
- Provide all requested documentation and verification items by deadlines and through your mySierra portal
- Report any additional resources (e.g. outside scholarships, assistance from CalWORKs, Vocational Rehabilitation, etc.) received during the award year
- Read, understand and accept responsibility for all forms and agreements requiring your signature and keep copies of them

Payments

Students who have been awarded a Community College Promise Grant (CCPG) (formerly known as the Board of Governors Fee Waiver (BOG)) will not be affected by a payment policy. Your CCPG is awarded if eligible when we receive your FAFSA/CADAA. Students who have this award will not be required to pay your fees within 10 days. Students who have met the requirements of our Two Years Fee program by completing all requirements outlined on our web www.sierracollege.edu/admissions/paying-for-college/two-years-free/ will not be affected by a payment policy.

The Two-Years free grant is awarded to students the week following add/drop or majority census. If you should drop below 12 units, you will be billed for your tuition fees. You must complete your FAFSA/CADAA application prior to registration or be prepared to pay all your fees at time of registration. Fall 2024, Spring 2025 and Summer 2025 are awarded using the 2024–2025 FAFSA.

Financial Aid Handbook

The District shall provide access to its services, classes and programs without regard to ethnicity, national origin, religion, age, sex, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics or based on association with a person or group with one or more of these actual or perceived characteristics. Complaints of discrimination should be referred to the Title IX and/or EEO Director or Title IX Coordinator at (916) 660-7006, via email at FEOT9@sierracollege.edu or our address: 5100 Sierra College Blvd., Rocklin, CA 95677, Human Resources (U Building).
