Update on Mediation Between District and SCFA

Dear Faculty and Employees,

We want to update you on the ongoing mediation process with the SCFA union and PERB. Despite sincere efforts from all parties, we were unable to reach an agreement today with the assistance of a neutral, state-appointed mediator. However, we remain committed to continuing the impasse process and another mediation session is scheduled for Wednesday, December 17.

We will continue to keep you informed as the process moves forward.
