Date Adopted:	1/26/2006
Date Revised:	3/5/2021
Date Reviewed:	3/5/2021
References:	Business and Professions Code Sections 24045.4, 24045.6, 25608, 25658, and 25668; 34 Code of Federal Regulations Part 668.46 subdivision (b)

The possession, sale or the furnishing of alcohol on campus is governed by California state law and these procedures. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on-campus is primarily the responsibility of campus security and local law enforcement. Each campus has been designated “Drug free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by local law enforcement. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of any campus without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.

Alcoholic beverages on campus are permitted if:

- The alcoholic beverage is beer or wine for use in connection with a course of instruction, sponsored dinner, or meal demonstration given as part of a culinary arts program at a community college campus, and the instructor or individual has been authorized to acquire, possess, use, sell, or consume it by the Superintendent/President.
- A student at least 18 years of age tastes, but does not swallow or consume, an alcoholic beverage for educational purposes as part of the instruction in a hotel management, culinary arts, or enology or brewing degree program, and the alcoholic beverage remains in the control of the instructor.

- The alcoholic beverage is for use during a non-college event at a performing arts facility built on District property and leased to a non-profit public benefit corporation.
- The alcoholic beverage is wine or beer produced by a bonded winery or brewery owned or operated as part of an instructional program in viticulture and enology or brewing.
- The alcoholic beverage is wine that is for use during an event sponsored by the District or the Sierra College Foundation in connection with the District's instructional program in viticulture.
- The alcoholic beverage is possessed, consumed, or sold, pursuant to a license or permit obtained for special events held at the facilities of a public community college during the special event. "Special event" means events that are held with the permission of the governing board of the community college district that are festivals, shows, private parties, concerts, theatrical productions, and other events held on the premises of the public community college and for which the principal attendees are members of the general public or invited guests and not students of the public community college.
- The alcoholic beverage is acquired, possessed, or used during an event sponsored by the District or the Sierra College Foundation at a community college-owned facility in which any grade from kindergarten to grade 12, inclusive, is taught, if the event is held at a time when students in any grades from kindergarten to grade 12, inclusive, are not present at the facility.
- The alcoholic beverage is for use during a fundraiser held to benefit the Sierra College Foundation that has obtained a license under the Business and Professions Code to do so provided that no alcoholic beverage can be acquired, possessed or used at a football game or other athletic contest sponsored by the District.
- The alcoholic beverage is acquired, possessed, or consumed pursuant to a license or permit obtained for special events held at facilities of a community college district at a time when pupils are not on the grounds. "Facilities" include, but are not limited to, office complexes, conference centers, or retreat facilities.
- Requests to serve alcohol must be submitted to the President's office with sufficient time to consider the request. Once permission is given, the Foundation must supply to the President's office documentation of proper licensing at least five business days prior to the scheduled event.
