Vacancies on the Board may be caused by any of the events specified in Government Code Section 1770 or any applicable provision in the Elections Code, or by a failure to elect. Resignations from the Board shall be governed by EC 5090.

Within 60 days of the vacancy or filing of a deferred resignation, the Board shall either order an election or make a provisional appointment to fill the vacancy. The Board will determine the schedule and appointment process.

If an election is ordered, it shall be held on the next regular election date not less than 130 days after the occurrence of the vacancy.

If a provisional appointment is made, it shall be subject to the conditions in EC 5091. The person appointed to the position shall hold office only until the next regularly scheduled election for District governing board members, when the election shall be held to fill the vacancy for the remainder of the unexpired term.

The provisional appointment will be made by a majority public vote of the Board members at a public meeting.

If a vacancy occurs in the Student Trustee position, that vacancy shall be filled in accordance with Board Policy 2105.

See Administrative Procedure 2110.
