Members of the Board may elect to receive compensation in the amount permitted by the provisions of Education Code 72024. Compensation, including to the Student Trustee, is payable on a monthly basis. A member of the Board who does not attend all meetings held by the Board in any month shall receive, as compensation, an amount not greater than the pro rata share of the number of meetings actually attended. A member of the Board may be paid for a meeting when absent if the Board, by resolution, finds that at the time of the meeting the member is performing services outside the meeting for the community college district, is ill, on jury duty, or the absence is due to a hardship deemed acceptable by the Board.

The Board may, on an annual basis, increase the compensation of Board members by up to five percent. However, any increase is subject to rejection in a referendum by a majority of the voters in the District.

Board members are entitled to reimbursement of Board related travel expenses as outlined in Board Policy 2735.

Board members may also elect to receive such health, life and welfare benefits as are extended to District management employees (see Board Policy 2730).
