In accordance with the SCFA collective bargaining agreement, the Superintendent/President is directed to develop appropriate administrative procedures to implement the provisions of the Education Code which authorize the securing of copyrights protections for work, including but not limited to registering copyrights and policing information infringements, on behalf of the District.

The procedures developed by the Superintendent/President shall assure that the District may use, sell, give or exchange published materials and may license materials prepared by the District in connection with its curricular and special services.

In the development of these procedures, the Superintendent/President shall solicit the input of the proper representatives of the college community in accordance with the board policy and administrative procedure regarding participation in local decision-making.
