In accordance with Education Code Section 87359, the Board of Trustees shall adopt a process for addressing the equivalency standards to the minimum qualifications as adopted by the Board of Governors. The process includes standards and criteria, which resulted from meetings between the Faculty Senate and administration, and is reflected in administrative procedures. Equivalency standards shall be administered in accordance with these administrative procedures. Modifications and revisions, if any, shall be made using the District's governance process.

See Administrative Procedure 7211.
