The term of office of each trustee shall be four years, commencing with the second Friday in December following the general election in November. Elections shall be held every two years, in even-numbered years. Terms of trustees are staggered so that, as nearly as practical, one half of the trustees shall be elected at each trustee election. Trustee Areas 3, 4, and 7 shall elect trustees in 2028. Areas 1, 2, 5, and 6 shall elect trustees in 2026.

The Board of Trustees has provided for election of trustees by trustee area, and candidates must reside in and be registered to vote in the trustee area they seek to represent. Registered voters residing in a trustee area may only vote for candidates who run in their same trustee area.

The current trustee boundaries for all areas are posted on the District website at https://www.sierracollege.edu/administration/board-of-trustees/.

The Superintendent/President shall submit recommendations to the Board regarding adjustments to be made to the boundaries of each trustee area, if any adjustment is necessary, after each decennial federal census. The Superintendent/ President shall submit the recommendation in time for the Board to act as required by law.
